John Henry Newman was beatified by Pope Benedict xvi on the 19th September 2010. Not only did he have a great devotion to the Virgin Mary but also was a supporter of The devotion towards Angels and Saint’s.

John Henry Newman, was brought up in a loving Anglican family which read the Bible every day. However at the age of 15 he experienced, a spiritual crisis and as a result he abandoned religious practices. Walter Mayer’s his mentor revived
Newman’s faith. From that, time the invisible world seemed closer to him than the material one. He called angels his companions and supporters. Newman wrote; Apologia Pro Vita Sua which was compared to St Augustine’s Confessions;

“I thought that life was a dream and I was an angel, and the whole world a delusion and that my angel friends hid from me confusing me for fun and deceiving me with pretences of the material world”

Judging by this expression we can say that Newman was a man of spirit who had contact with supernatural beings.

Newman made a hypothesis that; pure angelic spirits lived among people. He believed that, an invisible world with God and His perfect creatures existed. Which
he depicted in a famous sermon, *The Invisible World* apart from the universe. There, is another world much more abundant in miracles. This world is surrounding us although we cannot see it. Thousands of beings are around us; they approach us, act if needed and wait on us and we cannot see them, this world can be seen via faith, not via eye.

According to Newman, angels act among us in the Church, and angels are sent by God to serve those who are to posses God's Divine Kingdom. There is not a Christian living in faith today who does Not have his angel; Our world today is just a veil under which there is God and angels. And at the end of time the veil will be uncovered and people will see Christ and angels just like the shepherds did during the Nativity.
Newman respected angels who surpass human beings intellectually and he also realised that man can outdo angels with God’s grace. When praying for the dead Newman always asked St Michael the Archangel to lead them to God and other angels to welcome them on their way to the Heavenly Jerusalem.

John Henry Newman, is sometimes described as the Angel of Birmingham and his conversion to the Catholic faith took place on the 9th October 1845 and he established an oratory in Birmingham in 1848. There he spent the last years of his life in which he protected the Roman Catholic Church for his merits he was appointed Cardinal by Pope Leo XIII in 1879 and he died with a reputation for holiness on 11th August 1890 in Birmingham.

The SEVEN Great ANGELS!
We know from the bible that there are seven special Angels. Three of them we know by name. These revealed names say more about the tasks given to angels by God rather than about the nature of these spiritual beings. The angels names point
Michael --- Who is like God
Gabriel ---- God is Strength
Raphael ---- God Heals
The Holy bible does not give us an account of how many Angels there are. We only know they are innumerable. Jesus mentioned before Pilate about 12 legions of Angels His Father could send to His defence (Mth26.53) In the book of Daniel We read that A thousand thousand waited on Him and that a thousand times ten thousand stood before Him this just reveals the truth that the number of angels is beyond the human capacity of counting.

MICHAEL – Who is like God.
The Holy scripture mentions Michael The Archangel, Five Times --- 3 In the book of
Daniel -- 1 In the letter of Jude, and 1 In the book of Revelation this great powerful spiritual being is mentioned.

The most famous text about St Michael comes from the book of Revelation; Michael and his angels defeat Satan. Michael is the commander of the Heavenly army, Michael is the one who fulfils God’s Plans for the world, the one who keeps the keys of Heaven, The Angel of God’s court and Divine Punishment, but the Angel of Divine Mercy.

RAPHAEL --- God Heals
His Name Raphael means “God Heals” Raphael is the main character in the Book of Tobit, Raphael also heals, Tobit senior from his blindness using the liver of a fish. Apart from the book of Tobit, there is no
other place in the bible which mentions Raphael

I am Raphael, one of the seven angels who stand ever ready to enter the presence of the Glory of the Lord. In this way God’s Messenger or Gods Angels are every ready for any call from Him.

GABRIEL --- God is Strength

Gabriel he is known as the messenger of God, who brought the good news about the birth of Jesus to Mary, Gabriel’s words said to Mary on that occasion are included in that wonderful prayer The Hail Mary
Gabriel is also one of the Holy Angels, who preside over paradise and over the cherubim (En 10:13;14) It is also worth mentioning that Gabriel is present in a tradition of Islam as the angel who dictated the verses of the Koran to Muhammad.

OTHER Angels; We can only find in the bible the names of the three archangels mentioned, The other names given to the other four archangels do not come from God’s revelation. Why have we not been given the other archangels names? It seems we do not need to know them. We should remember that we know only a little about the angels acts and their missions, BUT they are always in action fulfilling God’s Plan for the world and all mankind.
BE LIKE; an ANGEL my friends!

Be Like; an angel – Look for ways to serve God.
Be Like; an angel — Be there when God needs You.
Be Like; an angel – Speak to others about His Divine Mercy.
Be Like; an angel – Give directions
Be Like; an angel — Help those in need.
Be Like; an angel – Worship God!

OUR; Guardian Angels Guardian Angels are assigned by God to every human being at the moment of our conception. Guardian angels are closest to the material world and human beings. They deliver our prayers to God and return with God’s answers they are also the
most caring and social being’s who assist those who ask for help.

PRAYER; To OUR GUARDIAN ANGEL

My good guardian Angel who comes from heaven; God has sent you to look after me. Shelter me under your wing, lighten my path, and direct my step’s, and never leave me, stay always near me, and defend me, from all harm and all evil. Above all help me in the last struggle of my life, and deliver my soul, so that with you, I may praise, love and contemplate the goodness of God for ever and ever. Amen Fiat.

PRAYER; To St Michael the Archangel to protect the Church and all her members. O Glorious St Michael, guardian and defender of the Church of Jesus Christ, come to the assistance of this Church
Against which the powers of hell are unchained, guard with especial care her august head, that for him and for us the hour of Triumph may speedily arrive. O Glorious Archangel St Michael watch over us during our life, defend us against the assaults of the evil one, assist us especially at the hour of our death; obtain for us a favourable judgement, and the happiness of beholding God face to face for endless ages, Amen. Fiat

IS CONTACT WITH ANGELS AND SAINTS NECESSARY? Contact with angels and saints is extremely necessary and useful in our spiritual life, let none of us miss out
on the presence of Holy Angels and Saints in our spiritual life.

Our Late Great Pope Saint John Paul 2nd said this; I have a particular devotion to My guardian Angel, I have prayed to him since my childhood. My Guardian Angel knows, what I do, and my faith in his presence and care is Deep. St Michael the Archangel St Gabriel and St Raphael, are those angels I often call for in my prayers.

The Universe created by God; The universe created by God, is built from
Many floors, **God in His Infinite Mercy calls us to Fill those floors**, all the way to the top and to occupy **those places which He Cast off the evil spirits**. Every child’s birth is, **A New Act of Creation**, of someone who will praise God. Every conception and birth of a child, **is an incredible event in creation**, and all the universe **bows over the mother the woman, and her new born child**. There is also another dimension to all of this; **Angels are not born**, the number of evil spirits does not increase, they have strictly determined numbers.

The Growing world of God’s children is composed exclusively of People! (Like this gorgeous little child)
This is why my friends; **The Devil stands irritated and annoyed over a woman who gives birth**, **so it comes as no surprise that the Devil will go to great lengths to destroy every conceived human being, all the power of evil fiercely attacks the weakest human an unborn baby.**
The Devil lurks, and wants to destroy every human being but God is on our side my friends, and so Man will increase in number UNTIL they fill all the top floors in God’s house. Weak beings like us all will take our place there, and we will all attain and even higher dignity; that of Children of God. This dignity does not apply to angels; they are only God’s servants.

THE GREATEST SIN that mankind has committed is ABORTION! We all of us have to defend the women and child with great faith, because only in the woman, life will be created, this great life to occupy the empty spots left by the one’s who fell from Heaven. This great battle against the devil; St Michael stands alongside us all and all our Angels and Saints, because my friends the devil is very much alive and at
work in the world. In fact the evil that is in the world today in the disorder we see in society the infidelity of man, NO wonder. Our blessed Mother tells us that our sins today, are far worse than in the days of Noah, and Sodom and Gomorrah, that this generation is the most sinful generation in the history of the world, and our sins are getting more hideous day by day.

The Great Tribulation; That Our Blessed lady the Queen of prophets foretold at Garabandal; which will be led by Russia.

Is coming and it is coming sooner that we may all think. Whatever happens in the future will come because of our sins and the sins of the whole world, the Tribulation is coming because of Abortion, Euthanasia, Impurity, Assisted Suicide, Divorce, Same Sex Marriages, and so many other sins. There are not enough good people praying and making
reparation for all the sins that are being committed in the world today; This is why we all need to pray to all our Holy Angels and Saints today imploring their intercession for all mankind before the Throne of God.

IT is VITAL TODAY my Friends to Pray to all The Angels and Saints in Heaven and the whole Heavenly Host and all the Holy souls in purgatory to PRAY for us, to Intercede for us, to help us, and to guide us all through these difficult times as Evil is becoming the uncontested dominator on Earth. This PRAYER will take on a totally different meaning and Power because it
will be Jesus and all of Heaven who will be praying with us!

I Want to show you all a way of praying in the Divine Will by taking all the good acts of Individual Saints in order to reign down
Graces Upon them and Upon Us! by praying for their Accidental Glory!

Jesus told Luisa, That The SAINTS in Heaven DO NOT contain all their accidental glory, that the Good acts of the Saints have in the most part been Forgotten, but they are all present within the immensity of the Divine will.

And so by Finding them and making them OUR OWN and offering them to Jesus We can all continue to GLORIFY The Father with their Good Acts and also Give to all These Saints More Accidental Glory By offering up the Divine Version of Their Good acts WHICH Re- Doubles Their Glory in Heaven. Then my Friends, THEIR
INTERSESSION on OUR BEHALF IS MORE POWERFUL! How Then can all these Saints we are praying for, for them to Receive Their Accidental Glory NOT be around to help us to protect us to intercede for us who are operating this Great Gift in the Divine Will on Their Behalf.
