Viska

**Medjugorje;** is a small village in Herzegovina where the apparitions of Mary the Mother of Jesus began on Wednesday 24<sup>th</sup> June 1981. The six children she appeared too were, **Viska, Jakov, Ivanka, Mirjana, Marija, and Ivan.** Her Message to the world is that God exists for us all to be at peace and to reconcile our differences. **What happens when they see Our Lady;** Many scientific and medical tests have been carried out on them by experts. All have concluded that they are all normal. **During the time they see Our Lady** they make no response to loud sounds bright lights in their eyes or touch or pain. The visionaries say that Mary speaks to them prays with them and gives them messages for the whole world they can even touch Mary She took some of them to see Heaven Purgatory and Hell. The six of them are now married and three of them **Viska, Mirjana and Ivan** still see Our Blessed Lady daily usually at 18.40 BST. **Marjana now sees Our Lady on the 2<sup>nd</sup> of each**

month and **Jakov now see's** Our Lady every Christmas day and **Ivanka see's** our Lady on her birthday. They all receive invitations from all continents in the world to share Our Lady's messages. They have been told by Our Lady future events for the whole world and Mary has also 10 of them which are to be announced three days

before they happen. **Marjana Ivanka Jakov have all received these 10 Secrets Viska Marija Ivan have only been given 9 Secrets and is why they still see Our Lady Daily.** Mary has told them that these secrets are to verify the authenticity of Medjugorje and to encourage more people to convert and to turn back to God. Mary has also said that when these apparitions come to and end at Medjugorje **She will not come to this earth again** She has promised to leave **a Permanent sign** on the hill of apparitions which we will be able to see both night and day **but not touch** and that the sign would remain there until the end of the world. **Do not wait for the sign to convert She say's because for many it will be too late.**

**There is great urgency in these messages from Medjugorje The Blessed Virgin is calling all of us to**

conversion Now For she knows what awaits all mankind and She is our Mother and loves us all and as she says **If you knew how much I love you, you'd cry for joy.**

**FIRST :** She is calling us all to conversion **to turn away from sin** from our sinful relationships habits behaviour from gossip back-biting laziness **whatever our sins maybe and turn back to her son Jesus and to make Him and not ourselves the centre of our lives.**

**SECOND:** She is calling all her children to **Daily Prayer pray, pray, pray my children is her daily message at Medjugorje** she says **that prayer is a dialogue with God** and that it is not possible to live without **daily prayer, prayer is life and prayer means understanding God** and that daily prayer is necessary because after it everything **becomes clear!** She tells us **prayer** is the only road that leads to **peace and if you pray and fast you will obtain everything you ask for.**

Mary is telling us and reminding us as our Mother that unless we **pray we will never encounter God**. She is constantly reminding us that God is looking after us all and He is only too ready to hear our cries and to soothe our troubles by spending **time with Him in daily prayer**.

**THIRD:** She is calling us all to pray the Rosary to contemplative prayer silent prayer making visits to Churches being silent before the Lord. She is calling us to **frequent Mass and to frequent confession** which is a sacramental form of prayer as is the Mass She is calling us all to **Penance especially fasting**.

She says we must do this according to our health the kind of work we do and our age but we are called to **fast on bread and water on Wednesdays and Fridays**.

If you pray she says you will know what God is calling you to set aside. We are called to turn to God with faith not a faith that simply believes that Jesus is Saviour or a loving and powerful Lord.

**A faith that holds onto him and has a personal relationship with him in daily Prayer.**

The results of these efforts She says **Is Peace** that will bring peace in our hearts also peace in our families and communities and peace in the world

## **The Peace of Christ the world cannot give.**

**She tells us to wake up to the fact that hard times are coming to the world and they are coming in the form of Divine retribution for the sins of all mankind.** Make no mistake that whatever lies ahead for all mankind it is because many are far from God today and many don't believe He exists and there is no question that man has strayed far from God and His protection and we the whole world have brought these foretold chastisements upon ourselves simply because of our sins. **However if Mankind had responded to the messages of Our Mother in places like La Salette, Fatima, Garabandal and now today from Medjugorje we would not have anything to worry about we would all be in Gods hands and then nothing can frighten us.**

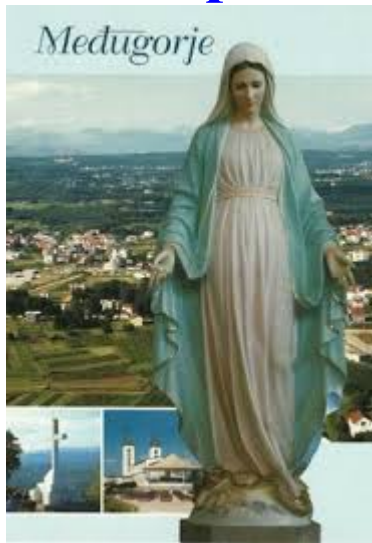

**I find sometimes people are very worried about the coming chastisements. I don't like the word but this is the word the visionaries have used. The Croatian word for chastisement can also be translated as**

**punishment or retribution. It is very important here to be aware that God is not a harsh or vengeful God. The whole world today is on the verge of being overtaken by evil and God must act for the sake of the good and apparently things are going to get much worse. So what should we all do we must all of us take all of these messages given by Our Mother over these last 200 years at La Salette, Fatima, Garabandal and now at Medjugorje as an Urgent call to be converted Now! We must all come closer to God to pray and keep praying that whatever disasters that are coming maybe mitigated by universal prayer and that there might be some measure of peace in the world.** I think that the main message of Medjugorje is the fact that the Blessed virgin has been appearing for nearly 37 years daily and not just for the parish of St James in Medjugorje but for all the people in the whole world because we are all God's children.

**God has sent His Mother Mary to Medjugorje every day for the last 37 years to warn all the people of the earth to turn back to him now we are all of us Gods beloved protected and redeemed children and he wants us all to spend eternity with Him in Heaven.**

**Don't you all think it is about time we all started Listening and doing what Our Mother asks and her words from**

# Heaven and prepare for this New Era of Peace and Her Triumph.

## **Medjugorje changes peoples lives by Philip Illsley.**

My name is Philip Illsley and I organised my first pilgrimage to Medjugorje in 1996 there were twelve of us the twelve apostles since then I have organised a pilgrimage every May and September.

## **St James Church in Medjugorje today**

There have been many graces and blessings received by those people who have joined our pilgrimage to medjugorje. Some have received outward signs rosaries

turning gold the sun spinning shapes and figures of the Christ child the Holy Mother the sacred host all seen within the sun whilst others have had visions that have touched their hearts and some miraculous healings. Many people have experienced inner peace and tranquillity a feeling of belonging cleansing and healing to name but a few of the remarkable graces coming from Medjugorje. There is a sense of holiness within the fields and the mountainsides surrounding the village where the Blessed Mother has been appearing daily since June 24<sup>th</sup> 1981. I have personally been blessed with the opportunity to visit Medjugorje on **54** occasions and each visit has been unique and memorable on my own personal journey of faith. Each visit to Medjugorje has brought me peace and a closeness to God and deepening and greater love of my faith. Medjugorje is a place of tremendous love and faith the whole atmosphere there echoes peace and love **it is a place where you are given the opportunity to find peace within yourself and with God. Since my first pilgrimage my life has changed and it has been enhanced with the fruits and graces of Gods Love. In Medjugorje you recapture a life full of joy serenity and purpose. In Medjugorje you understand the reason you are living where you are going and where you have come from. In Medjugorje you take your life back in your hands with vigour. In Medjugorje you rediscover a love in your life that trials and life have buried. In Medjugorje you feel like a new person and even others are aware that something has changed in your life. God will reward you with great gifts if you abandon yourself to Him. To surrender ourselves to Him and ask Him to take care of EVERYTHING !**

And you know my friends he really will take care of everything because he loves us all and holds each one of us in His arms.

**Philip Leading the Rosary at the stations of Light;** Over 60 million pilgrims from all over the world have visited Medjugorje they have flocked from every corner of the globe to be where the Mother of God **appeared and continues to appear every evening in Medjugorje.** And these apparitions have proved themselves over and over again **and the fruits of Medjugorje just cannot any longer be ignored.** The local Franciscan clergy have given documented proof to the Vatican of over **550 miraculous cures and healings over 550 priests have testified that they received their vocation from Medjugorje, and 125 women have also testified they received their vocation to become a nun from Medjugorje over 650,000 priests including Cardinals and Bishops have visited Medjugorje and thousands of Prayer groups the world over have been formed by**

**pilgrims who have been to Medjugorje there are more Communion now distributed in Medjugorje than in any other part of the Catholic world and Medjugorje is without a doubt the Confessional Capital of the entire world, they had 25 confessionals in Medjugorje and people still waited in line for confession, so they built another 35 boxes 60 in total, Yes 60 Confessional boxes, and people still wait in line for Confession DOES ONE NOT KNOW A TREE BY ITS FRUIT !**

Medjugorje has become **so credible now** that the Burden **of proof** that Medjugorje is authentic has shifted from those who believe **to those who are just opposed and these are being crushed daily by the fruits of Medjugorje which are so powerful that they are changing and will continue to change the whole face of the earth.** We are sometimes called a **Pilgrim People** because we are all of us travelling along the road of life to our destination with God Our Father. Our search for happiness is really a search for God, we keep our faith strong by keeping close to God, and only God can fulfil our dreams and we can only be sure and certain of reaching complete happiness if we travel along **life's, pilgrim road together with God.**

**MEDJUGORJE AND THE CHURCH: Important information on Medjugorje that not many Catholics are aware of including many priests and Bishops.**

Medjugorje since 1981 has suffered much radical opposition not only from the communist Government but **also from the local Bishop Zanic.** Bishop Pavo Zanic, the Bishop of Mostar having given his support to the testimony of the six visionaries at the beginning of the apparitions **suddenly changed his mind** many believe that he changed his mind because the parish priest at the time Fr Jozo Zovko a Franciscan was arrested by the secret police there was a mock trial and Fr Jozo was sentenced to three years hard labour in one of their labour camps. **This was the time Bishop Zanic began to change his mind and to deny their authenticity.**

**Fr Jozo Zovko the parish priest in Medjugorje at the time of the apparitions.**

**The Local Bishop Zanic was entrusted by Rome with the Commission of inquiry to look into the apparitions at Medjugorje. In 1986 he submitted to Cardinal Ratzinger a negative judgement on Medjugorje but Cardinal Ratzinger rejected these negative conclusions on Medjugorje and this rejection**

is without precedent in the history of the Catholic Church and in the history of apparitions. Bishop Zanic was relieved of the dossier by Rome and they dissolved his commission this judgement by Rome to dissolve Bishop Zanics commission received little or no press coverage throughout the entire world and many Catholics and many clergy have no idea that this has happened. On the 11<sup>th</sup> April 1991 at Zadar, The Episcopal commission accepted Medjugorje as

**Cardinal Ratzinger in Medjugorje with Fr Slavko**

a place of worship and prayer. This is not a final yes for Medjugorje but it is a big yes and many Catholics and clergy are not aware of this either. On August 28<sup>th</sup> 1991 Cardinal Ratzinger stated that we want to be concerned that Medjugorje which has become a place of prayer and faith remain and come to be even more in the most interior unity within the entire Catholic Church.

**HAS MEDJUGORJE Received the recognition it deserves The Answer is No I have often been shocked by the lack of interest shown by many Catholic priests and Bishops regarding the wonderful fruits graces and values that come from this such amazing place of peace and grace which are changing many peoples lives for the better. When it is Our Blessed lady who appears many Catholics and above all many priests and Bishops do not behave so well to them and many of them don't even want to hear anything about Medjugorje and they have not made this Judgement by going there and seeing for themselves no they don't want to see or hear anything about it they are blind and deaf to Medjugorje. We find in these apparitions an answer to the anxious entreaties that many have today regarding their faith or lack of faith that God has heard and continues to hear the cries of His People who beseech Him that good will triumph over evil this is the very substance of Our Blessed Lady's messages and warnings at Medjugorje.**

**Our Lady's statue on apparition hill**

**Our Blessed Mother is with us every day in Medjugorje and Her message is Peace Prayer Fasting Penance the Holy Mass and conversion. This is the means she says to bring all Her children in the world back to Her Son Jesus. All we have to do my friends is to listen to believe and to put into practice all that She asks for in Medjugorje and she is showing daily the parish of St James how she would like all her children to live their daily lives and how to strive daily to do the Will of God and that God must come first in our lives.**

**This is the statue of Our Lady at Thalina just outside Medjugorje ( It is lifelike just look at the eyes )**

**I Urge You Doubters Priests Bishops and laity to all Wake Up and Open your eyes to what is happening in Medjugorje because it is the nearest place to Heaven that we will find in this cold and hostile world.**

**My Greatest Fear for Medjugorje is people will pass it by. If You have never been Please don't pass it by**

**TASTE and SEE that the LORD is GOOD !**

**DOES ONE NOT KNOW A TREE BY ITS FRUIT  
THE SIGNS OF THE TIMES AND THE LAST  
WARNINGS FOR ALL MANKIND:** The Most Holy Trinity has sent Mary to warn us all that Heaven is pouring great and unprecedented graces to provide all of us **with the means to rise above this moral decay that threatens to destroy all of mankind.** Her messages plead for our attention but many still refuse to listen and believe including many Cardinals, Bishops, and priests. **These messages urge us all to return to God before it is too late because sin and evil has become the uncontested dominator of events the world over bringing all mankind to the rejection of God and His Law of Love.** This rejection of God is spreading far and wide division hatred immorality wickedness and the legitimating everywhere of divorce abortion homosexuality same sex marriages and the recourse to any and all means of obstructing Life. **Our Mother tells us throughout the ages is has been God's will that I come into this world when my children God's beloved are in danger. I see many of my children immersed in sin that will lead them to the loss of their souls This is why I have come to Medjugorje to call you all back to your faith to encourage you all to believe in God and in His Power to try to make you all understand that it is only through God's Power that you are saved. It is He who when you believe can turn you into a great**

**and powerful man or woman of God and who can bring many others to salvation. I am appearing here in Medjugorje to call all those who will listen and believe to Sanctity and Holiness. The urgency of these messages stems from the fact that God is about to usher in what Our Lady terms The New Era, The Era of Peace and that the dawn of this New Era is imminent and the Triumph of the Immaculate Heart of Mary.**

**This picture is of the Welsh Pilgrimage to Medjugorje**

**on the 29<sup>th</sup> June 2014 our guide Slavista had invited the Franciscan priest Fr Petar Ljubicic to come and give us a Talk in our Hotel :** Fr Petar is the priest chosen by the visionary Marjana to reveal her secrets to the world. **Fr Petar told us at that meeting that the 2nd secret at Medjugorje is a Warning and that the**

**3<sup>rd</sup> secret is the permanent sign that Our lady has said She will leave at Medgujorje when these visions end. And when these visions end at Medjugorje She will not come to this earth again and the permanent sign she will leave on the Hill of Apparitions, She tells us Do Not Wait for the permanent sign to convert because for many it will be to late. This sign will be visible both night and day and will be indestructible and will remain there until the end of the world and it will be a sign of testimony that Medjugorje is TRUE.**

**Mr Philip Illsley with the visionary Marjana.**

**Our Lady warned Marjana that a dense spiritual darkness will come and it will be the prince of darkness and all his legions. Mary told Marjana that Satan asked God to allow him to test the Church for a certain period of time with the intention of destroying her. God allowed him one century saying you will not destroy her. Mother Mary told Marijana that this century in which we are living in is under Satan's power and when the secrets I have given you come about his**

power will be destroyed. Mary said he is losing his power he is breaking up marriages causing quarrels among priests and the Angels of light are also part of this battle which is already being waged for human souls and this battle will become more fierce as **The New Era – The Era of peace draws closer and this is The Triumph of the Immaculate Heart of Mary and the beginning of the Era Of Peace. It is only God who can turn us into a great and powerful man or woman who can bring others to Salvation keep these words forever in you heart and put them into practice always.**

Since June 25<sup>th</sup> 1981 the Blessed Virgin Mary has appeared on a daily basis to a group of six young people. On the second day she revealed herself to them as “**Mother of God “ And Queen of Peace** These young people (**Now Much older**) all insist that Mary brings an urgent and prophetic message for all Mankind. We are told that peace in the world is in a state of crisis and that “**Mankind must be reconciled with God and one another “** and her message is very basic **Peace through prayer fasting faith and the Holy Mass and through conversion with God and one another”** Medjugorje over the years has become a centre of Christian Pilgrimage the world over **attracting over 60 million pilgrims from all over the world.** These men and women young and old healthy and sick are all gently brought along by the Mother of God and having arrived Mary quietly withdraws and make way for her son. **Mary Our Mother invites us all to become apostles of love and goodness in this world without peace. Give witness to God and His Love and God will bless you and give you what you seek of Him. God will bestow great gifts on if you surrender yourselves to Him.** Can we all seriously resolve to do just that **TODAY** and say this wonderful prayer every day. **Lord Jesus Christ pierce my soul with your love so that**

I may always long for you alone who are the bread of angels and the fulfilment of the soul's deepest desire. May my heart always hunger and feed upon you so that my soul may be filled with the sweetness of your presence. May my soul thirst for you who are the source of life wisdom knowledge light and all the riches of God Our Father. May I always seek and find you think upon you speak to you and do all things for the honour and glory of your Holy name be always my refuge and my help in whom my heart is rooted so that I may never be separated from you. Amen Fiat

# AMAZING MEDJUGORJE

MEDJUGORJE MESSAGES  
FROM THE BLESSED VIRGIN MARY 4. 25. 2016

**"Dear children! My Immaculate Heart bleeds as I look at you in sin and sinful habits. I am calling you: return to God and to prayer that it may be good for you on earth. God is calling you through me for your hearts to be hope and joy for all those who are far away. May my call be for you a balm for the soul and heart so that you may glorify God, the Creator, who loves you and is calling you to eternity. Little children, life is short; you, make good use of this time and do what is good. Thank you for having responded to my call."**
