ARTICLE 4

MEMBERSHIP AND VOTING RIGHTS; ASSOCIATION OPERATIONS

Section 4.1 The Association. Every Owner of a Unit shall be a Member of the Association. Membership shall be appurtenant to and may not be separated from ownership of a Unit.

Section 4.2 Transfer of Membership. An Owner shall not transfer, pledge or alienate his membership in the Association in any way, except upon the sale or encumbrance of his Unit and then only to the purchaser or Mortgagee of his Unit. The Association shall not create a right of first refusal on any Unit, and Unit Owners may transfer ownership of their Units free from any such right.

Section 4.3 Membership. The Association shall have one (1) class of membership consisting of all Owners, including the Declarant so long as Declarant continues to own an interest in a Unit. Except as otherwise provided for in this Declaration, each Member shall be entitled to vote in Association matters as set forth in Section 2.2.2 above. Each Owner, including Declarant while Declarant owns any Unit, is subject to all the rights and duties assigned to Owners under the Association Documents.

Section 4.4 Declarant Control. Declarant shall be entitled to appoint and remove the members of the Association's Executive Board and officers of the Association during the term of Declarant Control. "Declarant Control" begins with the appointment of the initial Executive Board and continues until the earlier of (a) five (5) years from the date of recording the Declaration, (b) sixty (60) days after Declarant conveys seventy-five percent (75%) of the Units to Owners other than Declarant, or (c) two (2) years after the last conveyance of a Unit by Declarant in the ordinary course of business. Declarant may voluntarily relinquish such power evidenced by a notice executed by Declarant and recorded with the Clerk and Recorder but, in such event, Declarant may at its option require that specified actions of the Association or the Executive Board as described in the recorded notice, during the period Declarant would otherwise be entitled to appoint and remove directors and officers, be approved by Declarant before they become effective. Under the Act, Declarant Control is further extinguished, to the extent stated, sixty (60) days after the following events: (a) Declarant conveys twenty-five percent (25%) of the Units to Owners other than Declarant, to the extent of twenty-five percent (25%) of the members of the Executive Board (minimum of one), and (b) Declarant conveys fifty percent (50%) of the Units to Owners other than Declarant, to the extent of thirty-three and one-third percent (33-1/3%) of the members of the Executive Board.

Section 4.5 Books and Records. The Association shall make available for inspection, upon request, during normal business hours or under other reasonable circumstances, to Owners and to Mortgagees, current copies of the Association Documents and the books, records and financial statements of the Association prepared pursuant to the Bylaws. The Association may charge a reasonable fee for copying such materials. The Association shall maintain such books and records as may be required under the Act.

Section 4.6 Manager. The Association may employ or contract for the services of a Manager to whom the Executive Board may delegate certain powers, functions or duties of the Association, as provided in the Bylaws of the Association. The Manager shall not have the authority to make expenditures except upon prior approval and direction by the Executive Board.

Section 4.7 Rights of Action. The Association on behalf of itself and any aggrieved Unit Owner shall be granted a right of action against any and all Unit Owners for failure to comply with the provisions of the Association Documents, or with decisions of the Executive Board made pursuant to authority granted to the Association in the Association Documents. The Unit Owners shall have a right of action against the Association for failure to comply with the provisions of the Association Documents, or with decisions of the Executive Board made pursuant to authority granted to the Association in the Association Documents. In any action covered by this section, the Association or any Unit Owner shall have the right but not the obligation to enforce the Association Documents by any proceeding at law or in equity, or as set forth in the Association Documents, or by mediation or binding arbitration if the parties so agree. The prevailing party in any arbitration or judicial relief shall be entitled to reimbursement from the non-prevailing party or parties, for all reasonable costs and expenses, including attorneys' fees in connection with such arbitration or judicial relief. Failure by the Association or by any Owner to enforce compliance with any provision of the Association Documents shall not be deemed a waiver of the right to enforce any provision thereafter.

Section 4.8 Implied Rights and Obligations. The Association may exercise any right or privilege expressly granted to the Association in the Association Documents by the Act and by the Colorado Revised Nonprofit Corporation Act.

Section 4.9 Notice. Any notice to an Owner of matters affecting the Project by the Association or by another Owner shall be sufficiently given if in writing and delivered personally, by courier or private service delivery, or the third business day after deposit in the mails for registered or certified mail, return receipt requested, at the address of the Unit or the address of record for real property tax assessment notices with respect to that Owner's Unit.

Section 4.10 Owner Use and Occupancy Regulation. The Association shall have and may exercise the right to control Owners' use and occupancy of their respective Units in order to assure Unit Owners of eligibility of the Project for any Agency. In this regard, not less than seventy-one percent (71%) of the Units must be Owner-occupied at all times. Any Owner wishing to lease a Unit shall be subject to this percentage occupancy requirement and must first apply for authorization from the Association for any non-Owner occupancy. Allowance of a Unit Owner to rent a Unit shall be on a first-come, first-serve basis and the Association shall have the authority to permit or deny the use or leasing of any Unit within the Project, subject to then-current federal mortgage eligibility requirements.

ARTICLE 6 MECHANIC'S LIENS

Section 6.1 No Liability. If any Owner shall cause any material to be furnished to his Unit or any labor to be performed therein or thereon, no Owner of any other Unit shall under any circumstances be liable for the payment of any expense incurred or for the value of any work done or material furnished. All such work shall be at the expense of the Owner causing it to be done, and such Owner shall be solely responsible to contractors, laborers, materialmen and other persons furnishing labor or materials to his Unit.

Section 6.2 Indemnification. If, because of any act or omission of any Owner, any mechanic's or other lien or order for the payment of money shall be filed against the Common Elements or against any other Owner's Unit or an Owner or the Association (whether or not such lien or order is valid or enforceable as such), the Owner whose act or omission forms the basis for such lien or order shall at his own cost and expense cause the same to be cancelled and discharged

of record or bonded by a surety company reasonably acceptable to the Association, or to such other Owner or Owners, within twenty (20) days after the date of filing thereof, and further shall indemnify and save all the other Owners and the Association harmless from and against any and all costs, expenses, claims, losses or damages including, without limitation, reasonable attorneys' fees resulting therefrom.

Section 6.3 Association Action. Labor performed or materials furnished for the Common Elements, if duly authorized by the Association in accordance with this Declaration or its Bylaws, shall be the basis for the filing of a lien pursuant to law against the Common Elements. Any such lien shall be limited to the Common Elements and no lien may be effected against an individual Unit or Units.

ARTICLE 7 EASEMENTS

Section 7.1 Recorded Easements. The Property shall be subject to all easements as shown on any Map or plat, those of record, those provided in the Act (including easements for encroachment set forth in Section 214 of the Act and an easement for maintenance of any such encroachment), and otherwise as set forth in this article.

Section 7.2 Declarant's Rights Incident to Construction. Declarant, for itself and its successors and assigns, hereby reserves an easement for construction, utilities, drainage, ingress and egress over, in, upon, under and across the Common Elements, together with the right to store materials on the Common Elements, to build and maintain temporary walls, and to make such other use of the Common Elements as may be reasonably necessary or incident to any construction of the Units or improvements on the Property or other real property owned by Declarant, or other properties abutting and contiguous to the Property; provided, however, that no such rights shall be exercised by Declarant in a way which unreasonably interferes with the occupancy, use, enjoyment or access to the Project by the Owners.

Section 7.3 Utility Easements. There is hereby created a blanket easement upon, across, over, in and under the Property for the benefit of the Common Elements and the Units and the structures and improvements situated on the Property for ingress and egress, installation, replacing, repairing and maintaining all utilities, including, but not limited to, water, sewer, gas, telephone, cable TV and electricity. Said blanket easement includes future utility services not presently available to the Units which may reasonably be required in the future. By virtue of this easement, it shall be expressly permissible for the companies providing utilities to erect and maintain the necessary equipment on any of the Units and to affix and maintain electrical and/or telephone wires, circuits and conduits on, above, across and under the roofs and exterior walls of the improvements, all in a manner customary for such companies in the area surrounding the Property, subject to approval by the Association as to locations.

Section 7.4 Reservation of Easements, Exceptions and Exclusions. The Association is hereby granted the right to establish from time to time utility and other easements, permits or licenses over the Common Elements for the best interest of all the Owners and the Association. Each Owner is hereby granted a perpetual non-exclusive right of ingress to and egress from the

Owner's Unit over and across the General Common Elements and Limited Common Elements appurtenant to that Owner's Unit, which right shall be appurtenant to the Owner's Unit, and which right shall be subject to limited and reasonable restriction on the use of Common Elements set forth in writing by the Association, such as for guest parking, storage and closure for repairs and maintenance.

Section 7.5 Emergency Access Easement. A general easement is hereby granted to all police, sheriff, fire protection, ambulance and other similar emergency agencies or persons to enter upon the Property in the proper performance of their duties.

Section 7.6 Support Easements. Each Unit and the Common Elements are subject to a blanket easement for support and a blanket easement for the maintenance of structures or improvements presently situated or to be built on the Property.

Section 7.7 Association as Attorney-in-Fact. Each Owner, by his acceptance of a deed or other conveyance vesting in him an interest in a Unit, does irrevocably constitute and appoint the Association and/or Declarant with full power of substitution in the Owner's name, place and stead to deal with Owner's interest in order to effectuate the rights reserved by Declarant or granted to the Association, as applicable, with full power, right and authorization to execute and deliver any instrument affecting the interest of the Owner and to take any other action which the Association or Declarant may consider necessary or advisable to give effect to the provisions of this Article and this Declaration generally. If requested to do so by the Association or Declarant, each Owner shall execute and deliver a written, acknowledged instrument confirming such appointment.

ARTICLE 8

MAINTENANCE AND UTILITIES

Section 8.1 Maintenance by Owners. Each Owner shall maintain and keep in repair the interior of the Owner's Unit and the Limited Common Elements allocated to the Unit, including the fixtures thereof to the extent current repair shall be necessary in order to avoid damaging other Units or Common Elements. All fixtures and equipment installed within the Unit or allocated Limited Common Element commencing at a point where the utilities enter the Unit or Limited Common Element shall be maintained and kept in repair by the Owner of the Unit. An Owner shall do no act or any work that will impair the structural soundness or integrity of the Common Elements or impair any easement. Each Owner shall be responsible for the maintenance of the interior non-supporting walls of his Unit, the surface materials on all walls within the Unit such as plaster, drywall, paneling, wallpaper, paint, or tile, the ceilings and floors within the Unit, and the doors, windows and skylights, if any, serving the Unit. Each Owner shall be responsible for maintenance of the surfaces (excluding the roofing elements), windows and doors of Limited Common Elements allocated to his Unit, as well as for one-half of the maintenance of the dividing wall or walls separating any Garage Limited Common Element allocated to the Unit from the neighboring Garage or Garages. Each Owner of a Unit with a skylight existing as of the date of this Declaration agrees to maintain and repair such skylight and the seal between the skylight and the roof diligently to assure that no water leaks into such Unit or other Units. All Owners are prohibited from

installing any new skylights in any Unit in addition to those existing as of the date of this Declaration.

Section 8.2 Owner's Failure to Maintain or Repair. In the event that a Unit (including an allocated Limited Common Element) is not properly maintained and repaired, and if the maintenance responsibility for the unmaintained portion of the Unit lies with the Owner of the Unit, or in the event that the Unit is damaged or destroyed by an event of casualty and the Owner does not take reasonable measures to diligently pursue the repair and reconstruction of those portions of the damaged or destroyed Unit for which the Owner is responsible to substantially the same condition in which they existed prior to the damage or destruction, then the Association, after notice to the Owner and with the approval of the Executive Board shall have the right to enter upon the Unit to perform such work as is reasonably required to restore the Unit to a condition of good order and repair. All costs incurred by the Association in connection with the restoration shall be reimbursed to the Association by the Owner of the Unit, upon demand. All unreimbursed costs shall be a lien upon the Unit until reimbursement is made. The lien may be enforced in the same manner as a lien for an unpaid Assessment levied in accordance with Article 10 of this Declaration.

Section 8.3 Maintenance by Association. The Association shall be responsible for the maintenance and repair of the General Common Elements, whether located inside or outside of Units. This maintenance shall include, but shall not be limited to, upkeep, repair and replacement, subject to any insurance then in effect, of all landscaping, walls, gates, signage, irrigation systems, sidewalks, driveways and improvements, if any (which shall include without limitation snow removal services unless performed by another private or public organization formed for such purposes), located in the General Common Elements. In the event the Association does not maintain or repair the General Common Elements, Declarant shall have the right, but not the obligation, to do so at the expense of the Association.

Section 8.4 Association Maintenance as Common Expense. The cost of maintenance and repair of the General Common Elements by the Association shall be a Common Expense of all of the Owners, to be shared by each Unit Owner according to the Allocated Interests therefor set forth on Exhibit B. Damage to the interior or any part of a Unit resulting from the maintenance, repair, emergency repair or replacement of any of the General Common Elements or as a result of emergency repairs within another Unit at the instance of the Association shall also be Common Expense of all of the Owners. However, if any damage to the General or Limited Common Elements or a Unit is caused by negligent or tortious acts of a Unit Owner, members of the Unit Owner's family, or the Unit Owner's agent, employee, invitee, licensee or tenants (collectively "Owner's Agents"), then such Unit Owner shall be responsible and liable for all of such damage and the cost thereof, to the extent that Owner's Agent's negligence caused such damage, which must be timely paid.

Section 8.5 Easement for Maintenance. Each Owner and the Association shall have the irrevocable right, to be exercised by the Manager, the Executive Board or officers or employees of the Association, to have access to each Unit from time to time during reasonable hours as may be necessary for the maintenance, repair or replacement of any of the Common Elements therein or accessible therefrom, or at any hour for making emergency repairs, maintenance or inspection therein necessary to prevent damage to the Common Elements or another Unit. In the event

insurance proceeds under Article 9 are payable to an Owner but the maintenance responsibility of the area to which such proceeds relate is the Association's, the Association shall complete any such repair or replacement at the Owner's cost.

Section 8.6 Association's Right to Grant Owner's Maintenance Area. The Association reserves the right to grant the maintenance responsibility of certain General Common Elements adjacent to a Unit or to a Limited Common Element allocated to a Unit to the Unit Owner, and the Unit Owner is obligated to accept said maintenance responsibility, provided said assignment is done in a uniform and nondiscriminatory manner.

Section 8.7 Association Power. The Association shall have the right and power to prohibit storage or other activities deemed unsafe, unsightly, unreasonably noisy or otherwise offensive to the senses and perceptible from another Unit or the Common Elements. No Owner shall make any addition or other alteration to any portion of the Common Elements without the express consent of the Executive Board.

Section 8.8 Utilities. The cost of all utility services provided to the General Common Elements shall be the Common Expense of all of the Owners. The cost of any utility service provided to a Unit or to any Limited Common Elements allocated to such Unit and separately metered or billed, shall be the expense of such Unit Owner. The cost of other utility services provided in common to the Units or to any Limited Common Elements allocated to such Unit, and not separately metered or billed, shall be the Common Expense of all of the Owners. As of the date of this Declaration, water and hot water heat provided to the Units are not separately metered. In the event that in the future, the water or hot water heat provided to the Units is metered, then the cost of such water or hot water heat service provided to a Unit shall be the expense of such Unit Owner.

ARTICLE 9 INSURANCE

Section 9.1 General Insurance Provisions. The Association shall acquire and pay for, out of the assessments levied under Article 10 below, the following insurance policies carried with reputable insurance companies authorized to do business in Colorado:

9.1.1 Hazard Insurance Coverage. Insurance for fire, with extended coverage, vandalism, malicious mischief, all-risk, replacement cost, agreed amount, special condominium, building ordinance and inflation guard endorsements attached, in amounts determined by the Executive Board to represent not less than the full, then current insurable replacement cost of the buildings located on the Property including all of the Units and Common Elements, including all fixtures, interior and perimeter walls and floors, partitions, decorated and finished surfaces of interior and perimeter walls, floors, and ceilings, doors, windows and other elements or materials comprising a part of the Units and including any fixtures, equipment or other property within the Units which are to be financed by a Mortgage to be purchased by an Agency including FNMA or FHLMC, and excluding any betterments and improvements made by Unit Owners and building excavations and foundations. Maximum deductible amounts for such policy shall be the lesser of \$10,000 or

1% of the policy face amount. In the event the Project has central heating or cooling or contains a steam boiler, coverage for loss or damage resulting from steam boiler and machinery equipment accidents in an amount equal to the lesser of \$2,000,000 or the insurable value of the buildings housing the boiler or machinery shall also be obtained. Each Unit Owner shall notify the Association in writing of any additions, alterations or improvements to his Unit which increase the replacement value of his Unit and the Association shall use reasonable effort to obtain insurance on any such additions, alterations or improvements if such Owner requests it to do so and if such Owner shall make arrangements satisfactory to the Association to reimburse it for any additional premiums attributable thereto. In the event of the failure of an Owner to so notify the Association, or in the event additional coverage cannot be obtained by the Association after reasonable effort and a request of the Owner to obtain such additional coverage, or in the event that satisfactory arrangement is not made for the payment of additional premiums by the Unit Owner, the Unit Owner shall be responsible for any deficiency in any resulting insurance loss recovery and the Association shall not be obligated to apply any insurance proceeds to restore the affected Unit to a condition better than the condition existing prior to the making of such additions, alterations or improvements. Any additional premiums attributable to a Unit for which the insurance is increased as herein provided may be the subject of a lien for nonpayment as provided in Section 10.7 hereof in the event the Association pays such premium for a Unit Owner.

9.1.2 Comprehensive Liability. Comprehensive general public liability and property damage insurance for the Project in such amounts as the Executive Board deems desirable, provided that such coverage shall be for at least \$1,000,000 for bodily injury, including deaths and property damage arising out of a single occurrence insuring the Association, the Executive Board, the Manager or managing agent, or both, if any, and their respective agents and employees, and the Unit Owners from liability in connection with the operation, maintenance and use of Common Elements and must include a "severability of interest" clause or specific endorsement. Such coverage shall also include legal liability arising out of lawsuits related to employment contracts of the Association and such other risks as are customarily covered with respect to condominiums similar to the Project in the Denver metropolitan area including automobile liability insurance if appropriate.

9.1.3 Insurer Requirements. Such hazard insurance policy must be written by an insurance carrier that has (a) a "B" or better general policyholder's rating or a "6" or better financial performance index rating in Best's Insurance Reports, or (b) an "A" or better general policyholder's rating and a financial size category of "VIII" or better in Best's Insurance Reports - International Edition.

9.1.4 Policy Requirements. The insurance policies may be carried in blanket policy form naming the Association as the insured, for the use and benefit of and as attorney-in-fact for the Unit Owners. Each Unit Owner shall be an insured person under the policy with respect to liability arising out of such Unit Owner's interest in the Common Elements or membership in the Association. Each Mortgagee and its successors or assigns shall be a beneficiary of the policy in the percentages of Common Expenses for the Unit which the Mortgage encumbers. The insurance company shall waive its rights of

subrogation under the insurance policy against any Unit Owner or member of the Unit Owner's household. No act or omission by any Unit Owner, unless acting within the scope of such Unit Owner's authority on behalf of the Association, shall void the insurance policy or be a condition to recovery under the insurance policy. If, at the time of a loss under an insurance policy described above there is other insurance in the name of the Unit Owner covering the same risk covered by the policy, the Association's policy shall provide primary insurance.

Section 9.2 Owner Insurance. Insurance coverage on the furnishings and other items of personal property belonging to an Owner (unless financed by a Mortgage to be purchased by FNMA or FHLMC), casualty and public liability insurance coverage for each Unit and the Limited Common Elements associated therewith and workman's compensation insurance covering work within each Unit or on the Limited Common Elements associated therewith shall be the responsibility of the Owner of the Unit.

Section 9.3 Cancellation. All policies required to be carried under this Article 9 shall provide a standard non-contributory mortgagee clause in favor of each First Mortgagee of a Unit and shall provide that such policy cannot be cancelled by the insurance company without at least thirty (30) days prior written notice to each Owner and each First Mortgagee whose address is shown in the records maintained pursuant to the Association's documents, to each other Mortgagee to whom a certificate or memorandum of insurance has been issued at their respective last-known addresses, and to any servicer of a Mortgage for Federal National Mortgage Association. If the insurance described in this Article 9 is not reasonably available, or if any policy of such insurance is cancelled or not renewed without a replacement policy therefore having been obtained, the Association promptly shall cause notice of that fact to be hand delivered or sent prepaid by United States mail to all Owners and to all First Mortgagees.

Section 9.4 Insurance Proceeds. Any loss covered by the property insurance policy described in Section 9.1 must be adjusted with the Association, but the insurance proceeds for that loss shall be payable to any insurance trustee designated for that purpose, or otherwise to the Association, and not to any holder of a security interest. The insurance trustee or the Association shall hold any insurance proceeds in trust for the Owners and Mortgagees as their interests may appear. Subject to the provisions of Section 9.5 below, the proceeds must be disbursed first for the repair or restoration of the damaged property, and the Association, Owners and Mortgagees are not entitled to receive payment of any portion of the proceeds unless there is a surplus of proceeds after the damaged property has been completely repaired or restored or the regime created by this Declaration is terminated.

Section 9.5 Insurer Obligation. An insurer that has issued an insurance policy for the insurance described in Section 9.1 and 9.7 and shall issue certificates or memoranda of insurance to the Association and, upon request, to any Owner or Mortgagee.

Section 9.6 Repair and Replacement. Any portion of the Common Elements for which insurance is required under this Article which is damaged or destroyed must be repaired or replaced promptly by the Association unless:

9.6.1 The common interest community created by this Declaration is terminated in which case the approval must first be obtained of 51% of First Mortgagees of Units subject to First Mortgages (which percentage is measured by votes allocated to such Units);

9.6.2 Repair or replacement would be illegal under any state or local statute or ordinance governing health or safety;

9.6.3 There is a vote not to rebuild by (a) eighty percent (80%) of the Owners entitled to vote and 51% of First Mortgagees of Units subject to First Mortgages which percentage is measured by votes allocated to such Units); and (b) every Owner and First Mortgagee of a Unit or assigned Limited Common Element that will not be rebuilt; or

9.6.4 Prior to the conveyance of any Unit to a person other than Declarant, the Mortgagee holding a Mortgage on the damaged portion of the Common Elements rightfully demands all or a substantial part of the insurance proceeds.

The cost of repair or replacement of Common Elements in excess of insurance proceeds and reserves is a Common Expense. If all the Common Elements are not repaired or replaced, the insurance proceeds attributable to the damaged Common Elements must be used to restore the damaged area to a condition compatible with the remainder of the Project, and except to the extent that other persons will be distributees, the insurance proceeds must be distributed to all the Owners or Mortgagees, as their interests may appear in proportion to each Unit's Common Expenses Allocated Interests.

Section 9.7 Premiums as Common Expenses. Premiums for insurance that the Association acquires and other expenses connected with acquiring such insurance are Common Expenses provided, however, that if the Association's fire and extended coverage insurance covers fixtures, equipment or other property within some but not all of the Units (as required by any Agency including FNMA or FHLMC), the Association reserves the right to charge the Owner of such Units for which the Association provides additional insurance coverage, an amount equal to the premium attributable to such additional insurance coverage.

Section 9.8 Fidelity Insurance. Fidelity insurance or fidelity bonds must be maintained by the Association to protect against dishonest acts on the part of its officers, directors, trustees and employees and on the part of all others including any manager hired by the Association, who handle or are responsible for handling the funds belonging to or administered by the Association in an amount not less than the greater of (a) fifty thousand dollars (\$50,000), or (b) the estimated maximum of funds, including reserve funds, in the custody of the Association or management agent as the case may be, at any given time during the term of each policy or bond as calculated from the current budget of the Association but in no event less than a sum equal to three (3) months' aggregate assessments plus reserve funds. In addition, if responsibility for handling funds is delegated to a Manager, such insurance must be obtained by or for the Manager and its officers, employees and agents, as applicable. Such fidelity insurance or bond shall name the Association as insured and shall contain waivers of all defenses based upon the exclusion of persons serving without compensation from the definition of "employees," or similar terms or expressions.

Section 9.9 Workers' Compensation Insurance. The Executive Board shall obtain workers' compensation or similar insurance with respect to its employees, if applicable, in the amounts and forms as may now or hereafter be required by law.

Section 9.10 Other Insurance. The Association shall maintain flood insurance if any part of the Project is located within a Special Flood Hazard Area on a Flood Insurance Rate Map, equal to the lesser of 100% of the insurable value of the Project or the maximum coverage available under the appropriate National Flood Insurance Program. The Association shall also maintain insurance to the extent reasonably available and in such amounts as the Executive Board may deem appropriate on behalf of Directors against any liability asserted against a Director or incurred by him in his capacity of or arising out of his status as a Director. The Executive Board may obtain insurance against such other risks of a similar or dissimilar nature as it shall deem appropriate with respect to the Association's responsibilities and duties or as requested by any Agency.

ARTICLE 10 ASSESSMENTS

Section 10.1 Obligation. Each Owner, including Declarant while an Owner of any Unit, is obligated to pay to the Association (1) the Annual Assessments; (2) Special Assessments; and (3) Default Assessments.

Section 10.2 Budget. Within thirty (30) days after the adoption of any proposed budget for the Association, the Executive Board shall mail, by ordinary first-class mail, or otherwise deliver a summary of the budget to all the Owners and shall set a date for a meeting of the Owners to consider ratification of the budget not less than fourteen (14) nor more than sixty (60) days after mailing or other delivery of the summary. Unless at that meeting a majority of all Owners reject the budget, the budget is ratified, whether or not a quorum is present. In the event that the proposed budget is rejected, the periodic budget last ratified by the Owners must be continued until such time as the Owners ratify a subsequent budget proposed by the Executive Board. The Executive Board shall adopt a budget and submit the budget to a vote of the Owners as provided herein no less frequently than annually. The Executive Board shall levy and assess the Annual Assessments in accordance with the annual budget.

Section 10.3 Annual Assessments. Annual Assessments made for Common Expenses shall be based upon the estimated cash requirements as the Executive Board shall from time to time determine to be paid by all of the Owners, subject to Section 10.2 above. Estimated Common Expenses shall include, but shall not be limited to, the cost of routine maintenance and operation of the Common Elements, expenses of management and insurance premiums for insurance coverage as deemed desirable or necessary by the Association, landscaping of the Property, care of grounds within the Common Elements, routine repairs and renovations within the Common Elements, wages, common water and utility charges for the Common Elements, legal and accounting fees, management fees, expenses and liabilities incurred by the Association under or by reason of this Declaration, payment of any default remaining from a previous assessment period, and the creation of a reasonable and adequate contingency or other reserve or surplus fund for insurance deductibles and general, routine maintenance, repairs and replacement of improvements within the Common Elements on a periodic basis, as needed.

Annual Assessments shall be payable in monthly installments on a prorated basis in advance, due on the date set by the Executive Board. The omission or failure of the Association to fix the Annual Assessments for any assessment period shall not be deemed a waiver, modification or release of the Owners from their obligation to pay the same. The Association shall have the right, but not the obligation, to make prorated refunds of any Annual Assessments in excess of the actual expenses incurred in any fiscal year.

Section 10.4 Apportionment of Annual Assessments. The Common Expenses shall be allocated among the Units on the basis of the Allocated Interests for Common Expenses in effect on the date of assessment, provided, however, that the Association reserves the right to allocate all expenses relating to fewer than all of the Units (such as those expenses attributable to insurance premiums described in Section 9.6) to the Owners of those affected Units only, except that the Association may not allocate expenses to repair the General Common Elements in the structure of the Garages to only the Units to which Garages have been allocated, because such Units are responsible for an additional Percentage Share of Common Assessments with respect to the allocated Garages.

Section 10.5 Special Assessments. In addition to the Annual Assessments, the Association may levy in any fiscal year one or more Special Assessments, payable over such a period as the Association may determine, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of improvements within the Common Elements or for any other expense incurred or to be incurred as provided in this Declaration. This Section 10.5 shall not be construed as an independent source of authority for the Association to incur expense, but shall be construed to prescribe the manner of assessing expenses authorized by other sections of this Declaration. Any amounts assessed pursuant to this Section shall be assessed to Owners according to their Allocated Interests for Common Expenses, subject to the right of the Association to assess only against the Owners of affected Units any extraordinary maintenance, repair or restoration work on fewer than all of the Units shall be borne by the Owners of those affected Units only, and any extraordinary insurance costs incurred as a result of the value of a particular Owner's Unit or the actions of a particular Owner (or his agents, servants, guests, tenants or invitees) shall be borne by that Owner. Notice in writing of the amount of such Special Assessments and the time for payment of the Special Assessments shall be given promptly to the Owners, and no payment shall be due less than ten (10) days after such notice shall have been given.

Section 10.6 Default Assessments. All monetary fines assessed against an Owner pursuant to the Association Documents, or any expense of the Association which is the obligation of an Owner or which is incurred by the Association on behalf of the Owner pursuant to the Association Documents, shall be a Default Assessment and shall become a lien against such Owner's Unit which may be foreclosed or otherwise collected as provided in this Declaration. Notice of the amount and due date of such Default Assessment shall be sent to the Owner subject to such Assessment at least ten (10) days prior to the due date.

Section 10.7 Effect of Nonpayment; Assessment Lien. Any Assessment installment, whether pertaining to any Annual, Special or Default Assessment, which is not paid on or before its

due date shall be delinquent. If an Assessment installment becomes delinquent, the Association, in its sole discretion, may take any or all of the following actions:

- (i) Assess a late charge for each delinquency in such amount as the Association deems appropriate;
- (ii) Assess an interest charge from the due date at the yearly rate of six (6) points above the prime rate charged by the Association's bank, or such other lawful rate as the Executive Board may establish;
- (iii) Suspend the voting rights of the Owner during any period of delinquency;
- (iv) Accelerate all remaining Assessment installments so that unpaid Assessments for the remainder of the fiscal year shall be due and payable at once;
- (v) Bring an action at law against any Owner personally obligated to pay the delinquent Assessments; and
- (vi) Proceed with foreclosure as set forth in more detail below.

Assessments chargeable to any Unit shall constitute a lien on such Unit. The Association may institute foreclosure proceedings against the defaulting Owner's Unit in the manner for foreclosing a mortgage on real property under the laws of the State of Colorado. In the event of any such foreclosure, the Owner shall be liable for the amount of unpaid Assessments, any penalties and interest thereon, the cost and expenses of such proceedings, the cost and expenses for filing the notice of the claim and lien, and all reasonable attorney's fees incurred in connection with the enforcement of the lien. The Association shall have the power to bid on a Unit at foreclosure sale and to acquire and hold, lease, mortgage and convey the same.

Section 10.8 Personal Obligation. Each Assessment against a Unit is the personal obligation of the person who owned the Unit at the time the Assessment became due and shall not pass to successors in title unless they agree to assume the obligation. No Owner may exempt himself from liability for the Assessment by abandonment of his Unit or by waiver of the use or enjoyment of all or any part of the Common Elements. Suit to recover a money judgment for unpaid Assessments, any penalties and interest thereon, the cost and expenses of such proceedings, and all reasonable attorney's fees in connection therewith shall be maintainable without foreclosing or waiving the Assessment lien provided in this Declaration.

Section 10.9 Payment by Mortgagee. Any Mortgagee holding a lien on a Unit may pay any unpaid Assessment payable with respect to such Unit, together with any and all costs and expenses incurred with respect to the lien, and upon such payment that Mortgagee shall have a lien on the Unit for the amounts paid with the same priority as the lien of the Mortgage.

Section 10.10 Statement of Status of Assessment Payment. Upon payment of a reasonable fee set from time to time by the Executive Board and upon fourteen (14) days' written request to the

Association's registered agent by personal delivery or certified mail, first-class postage prepaid, return receipt, any Owner, designee of Owner, Mortgagee, prospective Mortgagee or prospective purchaser of a Unit shall be furnished with a written statement setting forth the amount of the unpaid Assessments, if any, with respect to such Unit. Unless such statement shall be issued by personal delivery or by certified mail, first class postage prepaid, return receipt requested, to the inquiring party (in which event the date of posting shall be deemed the date of delivery) within fourteen (14) days after receipt of the request, the Association shall have no right to assert a lien upon the Unit superior to the inquiring party's interest for unpaid Assessments which were due as of the date of the request.

Section 10.11 Capitalization of the Association. Upon acquisition of record title to a Unit from Declarant or any seller after Declarant, each Owner shall contribute to the working capital and reserves of the Association an amount equal to two-twelfths (2/12) of the estimated Annual Assessments for Common Expenses for such Unit for the year in which the Owner acquired title. Such payments shall not be considered advance payments of Annual Assessments. The unused portion of the working capital deposit shall be returned to each Owner, including Declarant, upon the sale of his Unit, provided that the new purchaser of the Unit has deposited the required working capital deposit with the Association. During the period of Declarant Control (as defined in Section 4.4), the working capital fund must be maintained by the Association in a segregated account, and may not be used by the Declarant to defray any of its expenses, reserve contributions, or construction costs, nor to make up any budget deficits during the period of Declarant control.

Section 10.12 Maintenance Accounts; Accounting. If the Association delegates powers of the Executive Board or its officers relating to collection, deposit, transfer or disbursement of Association funds to other persons or to a manager, then such other persons or manager must (a) maintain all funds and accounts of the Association separate from the funds and accounts of other associations managed by the other person or manager, (b) maintain all reserve and working capital accounts of the Association separate from the operational accounts of the Association, and (c) provide to the Association an annual accounting and financial statement of Association funds prepared by the manager, a public accountant or a certified public accountant.

ARTICLE 11

DAMAGE OR DESTRUCTION

Section 11.1 The Role of the Executive Board. Except as provided in Section 9.5, in the event of damage to or destruction of all or part of any Common Elements improvement, or other property covered by insurance written in the name of the Association under Article 9, the Executive Board shall arrange for and supervise the prompt repair and restoration of the damaged property (the property insured by the Association pursuant to Article 9 is sometimes referred to as the "Association-Insured Property").

Section 11.2 Estimate of Damages or Destruction. As soon as practicable after an event causing damage to or destruction of any part of the Association-Insured Property, the Executive Board shall, unless such damage or destruction shall be minor, obtain an estimate or estimates that it deems reliable and complete of the costs of repair and reconstruction. "Repair and reconstruction" as used in this Article shall mean restoring the damaged or destroyed improvements to substantially

the same condition in which they existed prior to the damage or destruction unless the approval is first obtained of 51% of First Mortgagees of Units subject to a First Mortgage (which percentage is measured by votes allocated to such Units). Such costs may also include professional fees and premiums for such bonds as the Executive Board or the Insurance Trustee, if any, determines to be necessary.

Section 11.3 Repair and Reconstruction. As soon as practical after the damage occurs and any required estimates have been obtained, the Association shall diligently pursue to completion the repair and reconstruction of the damaged or destroyed Association-Insured Property. As attorney-in-fact for the Owners, the Association may take any and all necessary or appropriate action to effect repair and reconstruction of any damage to the Association-Insured Property, and no consent or other action by any Owner shall be necessary. Assessments of the Association shall not be abated during the period of insurance adjustments and repair and reconstruction.

Section 11.4 Funds for Repair and Reconstruction. The proceeds received by the Association from any hazard insurance carried by the Association shall be used for the purpose of repair, replacement and reconstruction of the Association-Insured Property for the benefit of Owners and Mortgagees.

If the proceeds of the Association's insurance are insufficient to pay the estimated or actual cost of such repair, replacement or reconstruction, or if upon completion of such work the insurance proceeds for the payment of such work are insufficient, the Association may, pursuant to Section 10.5, if permitted under the Act, levy, assess and collect in advance from the Owners, without the necessity of a special vote of the Owners, a Special Assessment sufficient to provide funds to pay such estimated or actual costs of repair and reconstruction. Further levies may be made in like manner if the amounts collected prove insufficient to complete the repair, replacement or reconstruction.

Section 11.5 Disbursement of Funds for Repair and Reconstruction. The insurance proceeds held by the Association and the amounts received from the Special Assessments provided for above, constitute a fund for the payment of the costs of repair and reconstruction after casualty. It shall be deemed that the first money disbursed in payment for the costs of repair and reconstruction shall be made from insurance proceeds, and the balance from the Special Assessments. If there is a balance remaining after payment of all costs of such repair and reconstruction, such balance shall be distributed to the Owners in proportion to the contributions each Owner made as Special Assessments, then in proportion to the relative value of each Unit which shall be based on the Units' Percentage Share of Common Expenses, first to the Mortgagees and then to the Owners, as their interests appear.

ARTICLE 12 CONDEMNATION

Section 12.1 Rights of Owners. Whenever all or any part of the Common Elements shall be taken by any authority having power of condemnation or eminent domain or whenever all or any part of the Common Elements is conveyed in lieu of a taking under threat of condemnation by the Executive Board acting as attorney-in-fact for all Owners under instructions from any authority

having the power of condemnation or eminent domain, each Owner shall be entitled to notice of the taking or conveying. The Association shall act as attorney-in-fact for all Owners in the proceedings incident to the condemnation proceeding, unless otherwise prohibited by law.

Section 12.2 Partial Condemnation; Distribution of Award; Reconstruction. The award made for such taking shall be payable to the Association for the benefit of the Owners and Mortgagees and, unless otherwise required under the Act, the award shall be disbursed as follows:

If the taking involves a portion of the Common Elements on which improvements have been constructed, then, unless within sixty (60) days after such taking Declarant and Owners who represent at least sixty-seven percent (67%) of the votes of all of the Owners shall otherwise agree, the Association shall restore or replace such improvements so taken on the remaining land included in the Common Elements to the extent lands are available for such restoration or replacement in accordance with plans approved by the Executive Board.
