

6/18/12

Dept of Public Works

To whom it may concern;

On August 12, 2012, we are holding a benefit for AMVET member Michele Wimpelberg who is dealing with severe complications from neck surgery. She is currently unable to work and remains hospitalized. Our intention with this benefit is to raise money to help cover her living expenses.

We would like to use the area next to the Amvets Post 245, behind the back entrance of the Senior Center as an area to have a chicken barbeque. This will not interfere with traffic flow. We will have 4 or 5 tables there.

If you have any questions, please contact Pam Dlugolecki at 382-2149 or Irene Reese at 324-0304.

Thank you in advance.

Pam Dlugolecki
