Montessori Children's Garden Nursery

We are very excited to announce this new opportunity to serve the community. In January 2018, we will open the infant/toddler program next door. Ms. Emily and Ms. Kat will be the directors, but will continue to teach at the Children's Garden in the morning and afternoon. We are currently renovating the space and filling it with beautiful Montessori materials and hand-crafted furnishings. Look for the brochures and registration information in your child's cubby within the next week. Siblings of currently enrolled students at the Children's Garden receive priority enrollment. Feel free to spread the word to friends and family!
