I heard I heard the old man say
Today, today's a holiday

We'll work tomorrow but no work today
We'll work tomorrow but no work today

We're bound away for 'Frisco Bay
We're bound away at the break of day

We're bound away 'round Cape Horn
We wish to Christ we'd never been born

We'll haul, we'll haul, we'll haul away
We'll haul away and make your pay.
