

# CARE & SUPPORT PROGRAM

NTAHC offers a range of services to empower all people affected by, or at risk of blood borne viruses, to lead a healthy life that is free of stigma and discrimination.

## ONE ON ONE SUPPORT

We provide individual support, case management, advocacy and referral services in:

- Health & wellbeing
- Employment
- Housing
- Emergency relief funds
- Immigration and visas
- Legal
- Alcohol & Other Drugs

## PEER SUPPORT GROUPS

Our peer support groups aim to:

- Provide a non-judgmental, safe and supportive environment
- Provide a place for people to meet, share and support each other on their health and well-being journey
- Respect and listen to all ideas
- Organise friendly and informal activities based on your wants and needs

These groups can be a great way to meet others who share your life experience.

## DARWIN

### GET INVOLVED
