

Welcome to Bargain Hunters Antiques & Consignments!

HOW OUR CONSIGNMENT WORKS

Q: What type of items do we take?

A: Most items fall in the home furnishings/décor category. Items such as: Furniture (excellent condition), Home Accessories, Vintage Furniture, Antiques, China, Lamps, Mirrors, Pictures, Rugs, Decorative Pillows and Chandeliers

Q: How do I go about consigning?

A: Bring small items (no more than 25 per day) during our regularly scheduled drop-off hours. For furniture and other large items, please provide us with a picture and a description of the merchandise first. That helps us determine if we will be able to sell your piece.

Q: How do I get pictures to you?

A: There are several options:

1. Email us at bh@bargainhunters.comcastbiz.net
2. Bring in prints of the photos
3. Bring in camera with the store pictures

Q: When can I drop off items?

A: Drop off days are Tuesday, Wednesday, Thursday and Saturday. Other arrangements may be made by appointment.

Q: Do we provide pick up service?

A: Yes, we will pick up items within a 30-mile radius of our store. (Large or heavy items must be brought to the *first floor* of a two-story home.) We offer a *"No Money Out of Pocket" pick up!* A minimum pick up charge of \$25.00 will be added charged to your account and taken out at the time of sale.

Q: Who determines the price of my items?

A: It helps us if you know how much you want from the sale of your items, although, we can assist with the pricing for items. Pricing is based on a number of factors, including past sales of similar items, original retail, condition and current market appeal.

Q: How much can I expect to get for my items?

A: Fifty percent (50%) of selling price.

Q: What happens if my item(s) are damaged or stolen while under consignment?

A: The consignor shall, at your option and expense, keep property fully insured in your name and for your benefit.

Q: How do I get paid?

A: Checks may be picked up at the store on the 15th of each month for the previous month's sales to consignors who generate at least \$10.00 in sales.

Q: What happens after 60 days?

A: After 60 days, an automatic 20% markdown goes into effect. This is designed to help remaining items sell before the contract ends.

Q: How long is the contract?

A: Ninety (90) days.

Q: What if I want to pick up my items before they are marked down?

A: All items must remain for the full 90-Day contract.

Q: What happens after 90 days?

A: WE provide you with a 7-day grace period to pick up any remaining items. You must provide 24-hours notice when picking up your items. It is solely the consignor's responsibility to keep track of the expiration date. We are unable to provide assistance searching for unsold items. Items that are not retrieved will be donated, discounted or sold at our discretion.

Q: Do you sell holiday and seasonal items?

A: Sales personnel can tell you when we accept various seasonal items.

We are sorry, but we have to say NO THANK YOU to items beat up, nicked and bruised; upholstered furniture that is torn, soiled, faded or damaged by your part; furniture from a smoky environment; toys, electronics, CDs; baby beds, strollers and child's car seats.
