

VISCOUNT PLASTICS BREAD CRATES, TOTES AND LUGGAGE TUBS

The **Viscount bread crate** has standard dimensions, is manufactured in New Zealand from high grade plastic and is perfect for use within bakery and other food industries.

The **Viscount Luggage Tub** is designed by experts and is used within domestic and international airports around the world.

The key features of our **Viscount Totes**, used within NZ and international airports around the world, are that they are manufactured from heavy grade material, are extremely robust and are therefore suitable for industrial use. They are versatile across a wide range of industries.
