His knowledge of the period and the French court is extensive, and approaches the biography in a thematic sense, where he dissects it in through lenses such as palaces and its court manners, or trade etc. Was andere dazu sagen - Rezension schreiben. Buy this book: King of the World. All in all, I was hovering in my review between a three and a four, as the book did tend to drag a fair bit here and there and the chapters could be exhausting as Mansel would drone on down different rabbit holes and on a few occasions I had forgot the point that Philip was making. Alle anzeigen ». Philip Mansel lives in London, travelling to Paris, Istanbul and elsewhere for research, conferences and lectures. He then points out that at the end of his reign, France was 1. I also appreciated that Mansel also wanted to make it clear, just how much Louis had damaged France. And, for a time, he came tantalizingly close. Enlarge cover. This lively work takes Louis outside Versailles and shows the true extent of his global ambitions, with stops in London, Madrid, Constantinople, Bangkok, and beyond. After becoming hooked on the recent tv show Versailles, I've been interesting in learning more of the true history of the time and this book is a good overview of the life and times of France's Sun King. Europe - France. One thing I did take from this biography was that I was definitely left with a resonating curiosity about his brother Philip duc D'Orleans who was a cross dressing homosexual and also a soldier who won the battle of Cassel against the Netherlands. Philip...

Through it all, we watch Louis XIV progressively turn from a dazzling, attractive young king to a belligerent reactionary who sets France on the path to account options anmelden. History: European History, General History. Error rating book. The fact that this is a record stretching back to is in itself remarkable, although Louis XIV’s accession as a child obviously gave him a certain advantage in this respect. How could such a civilized man commit so many acts of barbarism? Other Editions 8. He makes the argument that quite often it was his ministers or those who surrounded him who often forced his hand or pushed him into policies, but to maintain appearance he made sure that it was believed that the decision was his. Louisiana, which once occupied a third of the territory of the present-day United States, is named after him. He became Louis XIV wanted to conquer time and space - to push the borders of France which he inherited out into Flanders, Burgundy and Alsace, and beyond, to expand French dominion in the Americas and the East, to win what he called ‘the exquisite praises of history’ through conquests and to create a great palace which would surpass all others and secure his immortality. E-Book anzeigen. An enjoyable biography of pre-Revolutionary France’s most important monarch. He loved conversation, especially with women: the power of women in Louis’s life and reign is a particular theme of this book. In , his decision to revoke toleration for Protestants damaged his country, and alienated Protestant Europe and at the end of his life, his forces were persistently defeated by the Duke of Marlborough and Prince Eugene of Savoy. While we can still enjoy his palaces and fortresses today, and the provinces he added to France, he bankrupted his kingdom and impoverished his subjects we know that, over the course of his reign, French soldiers became smaller and doomed his dynasty. Mansel’s genius in King of the World lies in unpacking the complexities of Louis’ royal court. Through it all, we watch Louis XIV progressively turn from a dazzling, attractive young king to a belligerent reactionary who sets France on the path to
