# Pilot Mental Health Assessment and Support

## A Practitioner's Guide

**Edited by Robert Bor, Carina Eriksen, Margaret Oakes and Peter Scragg**

*Pilot Mental Health Assessment and Support* presents an authoritative, comprehensive and practical guide to modern, evidence-based practice in the field of mental-health assessment, treatment and care. It features contributions from experts in the field drawn from several countries, professions and representing a range of aviation-related organisations, displaying a range of different skills and methods that can be used for the clinical assessment of pilots and in relation to specific mental-health problems and syndromes.
