Upper Skagit Indian Tribe Transportation Safety Plan

INTRODUCTION	6
The Upper Skagit Indian Tribe	6
Traffic Safety in Indian County	8
VISION	8
SAFETY PARTNERS	8
PROCESS	9
EXISTING EFFORTS	11
Enforcement.....	11
Engineering	11
Education	12
DATA SUMMARY	13
Enforcement Data.....	13
EMPHASIS AREAS.....	14
Pedestrian Safety.....	17
Description	17
Goals	18
Project-Specific Strategies	18
Engineering Projects for Pedestrian Safety (Helmick Road Reservation):	20
<i>Single Family Multi-Modal Path and Parking Improvements</i>	22
<i>Multi-Family (Elder's) Multi-Modal Path</i>	23
<i>Nuwha-Ah Lane Community Path Extension</i>	24
<i>Multi-Modal Path Extension to 50 Acre Property/Frontage Improvements</i>	25
<i>BPA-Natural Resources Path between Third Circle and 50 Acre Property</i>	26
<i>Pedestrian Path Connections to Cascade Trail.</i>	27
<i>Off-Site Parking for Residential Community</i>	28
<i>Alternate Multi-Modal Path improvements between USIT Helmick Reservation and City of Sedro Woolley</i>	29
<i>Multi-modal path on North Side of Coyote Drive between Elder's Boulevard and Nookwa-Chahbsh Lane (Single Family Access)</i>	30
<i>Community Path Lighting and Vegetation Improvements for Public Safety</i>	31
Engineering Projects for Pedestrian Safety (Bow Hill Road Reservation):	31

<i>Bow Ridge Lane Pedestrian Path/Sidewalk Extension</i>	32
<i>North Darrk Lane Multi-Modal Path</i>	33
<i>Bow Hill Road Multi-Modal Path</i>	34
Intersection Safety	34
Description	34
Goals	34
Project-Specific Strategies	34
Engineering Projects for Intersection Safety (Helmick Road Reservation):	35
<i>Possible Intersection Improvements within the Helmick Road Reservation</i>	36
<i>Engineering Projects for Emergency Access to SR20 for Helmick Road Reservation</i>	37
Distracted and Impaired Driving	37
Description	37
Goals	38
Project-Specific Strategies	38
Rural Emergency Services Response Times	38
Description	38
Goals	39
Project-Specific Strategies	39
Occupant Protection	40
Description	40
Goals	41
Project-Specific Strategies	41
Boating and Water Safety	41
Description	41
Goals	42
Project-Specific Strategies	42
EVALUATION AND IMPLEMENTATION	43
Safety Planning & Data Collection Improvements.....	43
BIBLIOGRAPHY	44
APPENDIX A: TRAFFIC SAFETY TOOLKIT	45
APPENDIX B: WSDOT MOTOR VEHICLE ACCIDENT DATA	51

APPENDIX C: TRAFFIC SIGN INVENTORY FOR HELMICK ROAD RESERVATION	53
APPENDIX D: COUNCIL RESOLUTION 2014-091	60

Figures

Figure 1. Graphic illustrating the four –Es across the community spectrum from individual to environmental strategies. Graphic from One Sky Center (2006) Programs for Highway and Traffic Safety for American Indians/Alaska Natives.....	10
Figure 2. Pedestrian risk during pedestrian-automotive accidents at various speeds.	17
Figure 3. Helmick Road project overview for pedestrian, intersection and lighting projects.....	21
Figure 4. WSDOT Accident data for Bow Hill vicinity, September 2009-September 2014.....	51
Figure 5. WSDOT accident data for Helmick Road Reservation vicinity, September 2009-September 2014.....	52
Figure 6. Map of traffic sign inventory, Helmick Road Reservation.	53
Figure 7. Map of street sign (Street Name) inventory, Helmick Road Reservation	54

Tables

Table 1. Law Enforcement data summarizing traffic stops. Tables obtained from published annual reports.....	13
Table 2. Traffic Safety Emphasis Areas and the “4 E” strategies to support them.	15
Table 3. Sign inventory for Helmick Road Reservation.....	55

Exhibits

Exhibit 1. Single Family Multi-Modal Path and Parking Improvements.	22
Exhibit 2. Elder’s Boulevard Multi-Family Multi-Modal Path.	23
Exhibit 3. Nuwha-Ah Lane Community Path Extension to Helmick Road.	24
Exhibit 4. Multi-Modal Path Extension to 50 Acre Property & Frontage Improvements.....	25
Exhibit 5. BPA-Natural Resources Pathway Between Third Circle and 50 Acre Property.....	26
Exhibit 6. Pedestrian Path Connections to Cascade Trail.	27
Exhibit 7. Helmick Reservation Off-Site Parking for Long-Term Vehicle Storage.....	28
Exhibit 8. Alternate Multi-Modal Path Improvements Between USIT and Helmick Reservation and City of Sedro-Woolley.	29
Exhibit 9. Bow Ridge Lane Pedestrian Path/Sidewalk Extension.....	32
Exhibit 10. North Darrk Lane Multi-Modal Path.	33
Exhibit 11. Bow Hill Road Multi-Modal Path.	34

Exhibit 12. Possible Intersection Improvements within the Helmick Road Reservation. 36

Exhibit 13. Engineering Projects for Emergency Access to SR20 for Helmick Road Reservation. 37
