Bathroom Furniture Collections

As a family run business based in Yorkshire our heritage in the bathroom market spans over 100 years. With an established reputation for manufacturing quality bathroom furniture, our company is passionate about preserving manufacturing in the UK.

Our in-house designers ensure each furniture range is researched, designed and tested to suit the British bathroom, whether it be traditional or contemporary in style. We have an ongoing reinvestment in new machinery and this, together with the selection of high quality raw materials from trusted suppliers and quality craftsmanship, ensures long lasting quality.

We care about the environment and our environmental impact through sourcing products, recycling & waste and as a company we are ISO 14001 and ISO 9001 registered.

It's more than a bathroom, it's a lifestyle!

Bathrooms in recent years have transformed into our sanctuaries, we are seeing the reinvention of classic concepts by blending traditional and contemporary elements creating environments that showcase greater individuality. So whether you are considering giving your bathroom a new lease of life or a complete overhaul the options are truly endless.

Moody, luxe minimalism is here to stay with warm greys offering dramatic and luxurious backdrops for a fusion of contrasting materials, patterns and textures.

➤ See our *Eko & Nara* ranges for the moodier *Graphite Gloss* finish.

timeless style

Classic styling, neutral colour palettes and reflective surfaces give the illusion of space. Layering contrasting textures and tones creates a more tactile experience exuding character, warmth and elegance.

➤ See our new finishes in *Bardolino Oak* & *Stone Grey*.

*The Eko range is skilfully
crafted wall-mounted bathroom
furniture, designed to create
stylish storage solutions for
contemporary interiors.*

The striking washbasin units and co-ordinating storage units are available in a range of finishes and boast functional features that include premium slow close mechanisms, concealed internal drawers and overhead lighting. Eko's sharp lines and integrated design features effortlessly deliver cutting edge style.

*enhance the
illusion of
space with our
450 vanity*

Eko is perfect for even the smallest of bathrooms, cloakrooms and ensuites. The compact 450mm washbasin maximises storage with a soft close door instead of a drawer, while the wall mounted design of the Eko range enhances the illusion of space.

The Eko range is available in a number of finishes including the newly introduced contemporary Bardolino Oak and Graphite Gloss.

Create a striking finish with the use of two 550 units together. Shown with bar handle.

The Eko range comes in various sizes, finishes and handle options, allowing the units to fit individual spaces. The new handle options for washbasin and tall units can transform the appearance of your furniture, giving greater versatility. Choose between the minimalist Groove Door or Slab Door with preferred handle.

The 550mm basin unit shown is an ideal size for most bathrooms, providing a contemporary alternative to a standard basin and pedestal.

The new Bardolino Oak finish with Groove door creates a clean, minimalist and streamlined look.

The Graphite Gloss finish is moody and sophisticated, adding an edge to the 750mm unit. This finish creates a striking contrast to the precise angles and geometry of the crisp white basin.

*graphite gloss
creates moody
luxé minimalism*

Every Eko drawer has premium slow close runners to ensure silent and safe closing. The concealed internal drawer is ideal for storing smaller items to help organise your space.

The mirror wall units have a sensor activated overhead light; simply pass your hand under the sensor to activate. Double sided mirror doors with premium soft close hinges.

*architectural simplicity &
contemporary clean lines*

The Eko range provides the ultimate in luxurious bathroom furniture. When space allows, make a bold statement with our dramatic 1100 double basin and co-ordinating furniture to provide additional storage. Complete the look with the D-Shape handle as shown.

elation®
fitted

The elation® Fitted furniture range provides a practical yet stylish solution to bathroom storage together with an enviable level of quality and choice.

With the combination of strong design and style, our versatile furniture range allows you to create the perfect bathroom to meet all your storage requirements. Visit our new website to see the full elation® Fitted range and try out our new Selector feature which allows you to experiment with the various colour and style combinations.

range features

Choice of a contemporary slab door or traditional shaker door | Quality 18mm carcasses and doors | Matching carcass interiors and solid 18mm backs to all units (exception of the WC unit) | Vinyl wrapped door, colour matched on the reverse | Slow close on doors & drawers | A range of floor and wall units are available* | Broad selection of laminate and solid surface worktops | Comprehensive range of handles

 The Natural range has a premium solid wood framed Shaker door available in a Natural Oak & Dark Walnut finish (indicated by this icon).

* All standard and reduced depth carcasses can be fitted with a plinth or wall hung.

range overview

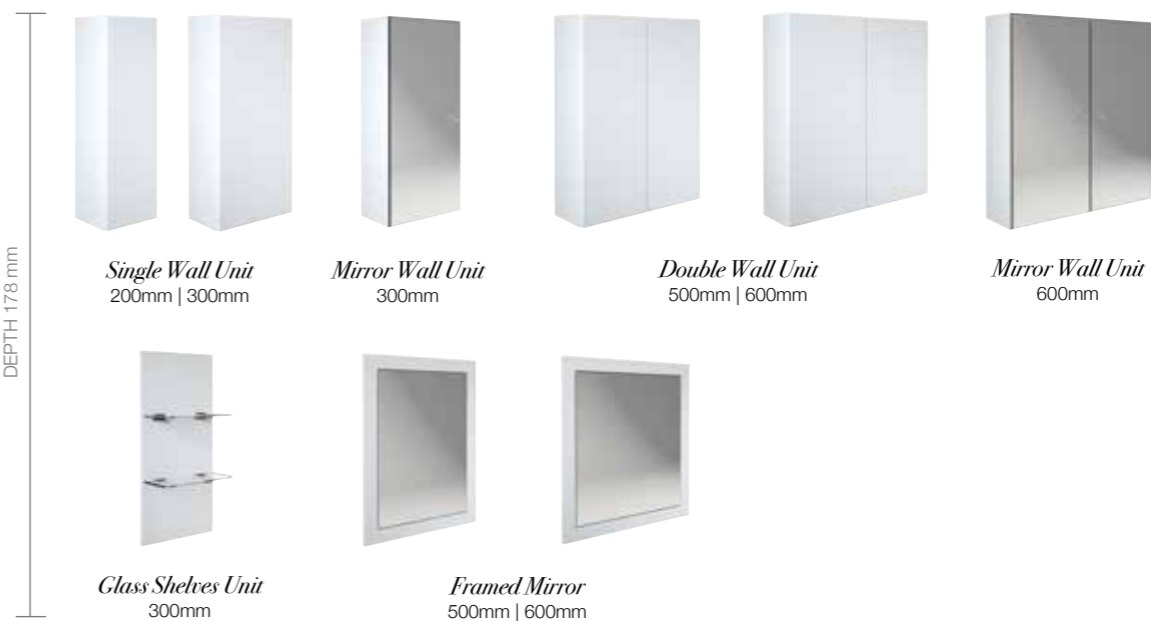

Slimline Units Slimline depth 220mm (including fronts)

Standard Base Units Standard depth 334mm (*Deep Vanity Unit 460mm) including fronts

Standard Wall Units Depth 178mm (including fronts)

door style

Once you have decided on your final layout, you can then select your style preference of Fitted furniture. Choose between the contemporary Slab door or the more traditional Shaker door. Our Shaker door has the additional option of being available as either MDF vinyl wrapped or premium solid wood from the Natural Collection.

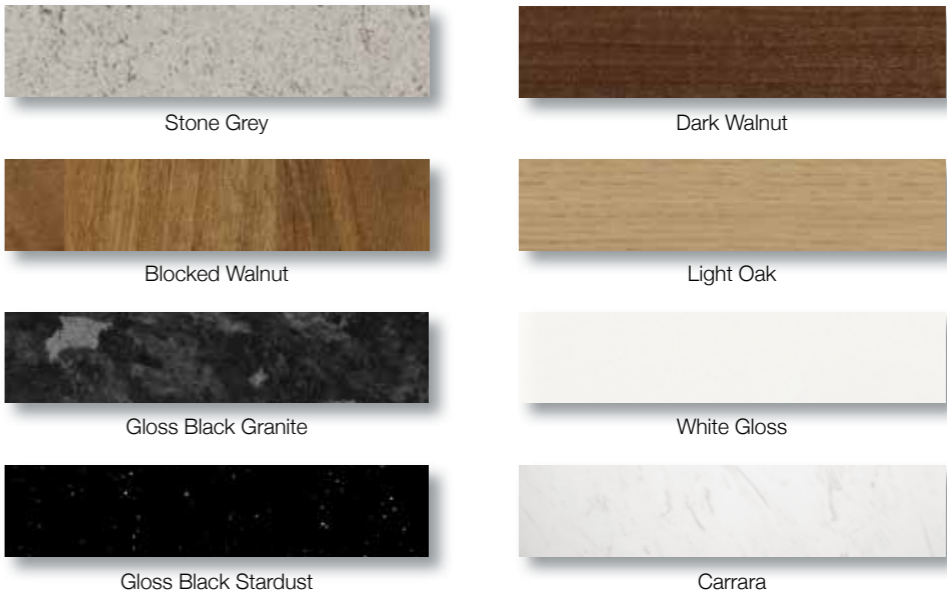

carcass & door colour

We have a broad spectrum of colour options that offer maximum creative control when it comes to designing your bathroom. The flexibility of the Fitted range also provides you with the option to choose a different colour carcass to the door to give a truly unique finish.

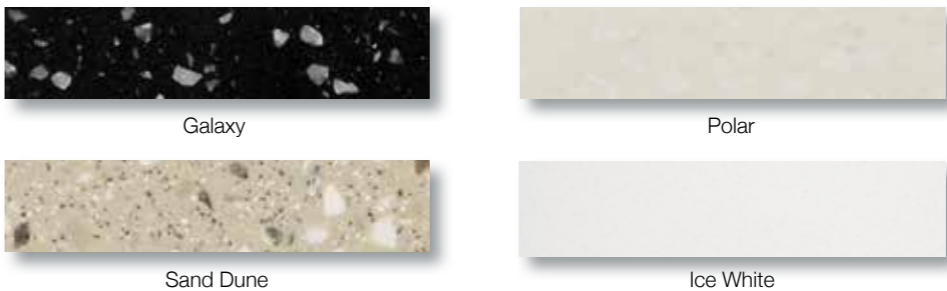

laminate worktops

The laminate worktops have a subtle profile to the front and are supplied with an edging strip. Available in eight colours to complement your chosen carcass colour including Carrara a new subtle marble effect laminate.

solid surface worktops

For a premium feel, choose an elation® Fitted solid surface worktop, made from a solid acrylic based material they are highly durable, impervious to water ingress and add a luxurious finish. The additional Ice White worktop is strikingly crisp with a subtle shimmer, creating a bright and airy finish in any bathroom.

handles

To achieve your desired look we have a comprehensive range of handle styles available, adding the perfect finishing touch to your furniture. These small details can make a huge impact by transforming the overall aesthetic of your furniture from a traditional to a contemporary feel.

A. Crystal Wave Handle | B. Designer Bar Handle | C. Modern Bow Handle | D. Curved Handle | E. Bar Handle
F. T Bar Handle | G. Angled Handle | H. Square Handle

N.B. Glass doors are always supplied with a chrome knob, positioned centrally.

sanitaryware

semi recessed basins

The elation® Fitted sanitaryware range is made from high quality ceramic and available in distinct variations in style. The classic Hudson basin with it's subtle curves is a timeless option and can be used with standard depth units. The Hudson Cloakroom Semi Recessed Basin is designed for use with the Slimline range of units. In contrast, the striking bold lines of the Airton basin mirrors the angles of the fitted range perfectly for a contemporary look.

back to wall pans & seats

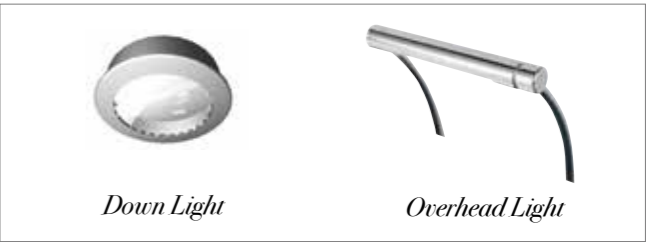

All our Back to Wall Pans have an option of a co-ordinating slow close toilet seat, adding a touch of luxury. The Hudson Pan is classic in style and has been designed to accommodate all bathroom themes. The Cayton Pan with smooth curved lines is a minimal modern option, whilst the Brearton Pan with subtle angles adds visual interest.

lighting

Lighting is an important element in creating the perfect ambiance and showcasing your furniture in the right light, choose from our range of solutions.

NB: All electrical work must be carried out by a qualified technician.

Development

In the interest of continuing design and development and product improvement, Cavalier reserve the right to change colour, designs and product specifications without prior notice. All colours in this brochure are as accurate as the printing process will allow.

Usage

It is important that your furniture is installed in a well ventilated room fitted with a suitable extractor fan. Please make sure that the furniture is dry after use, as with all furniture it will deteriorate over time through excessive water spillage. We do not recommend the use of chemical cleaning products or abrasives on our furniture or basins.

Measurements

All measurements are in millimetres and are nominal, they are provided as guidance only as all products are subject to manufacturing tolerances.

Prices

The prices included within this brochure supersede all previous publications with goods being invoiced at prices ruling on date of dispatch. Prices are subject to alteration without notice.

Electrical

IMPORTANT: All electrical installation work must be carried out by an approved qualified electrician. Under no circumstances should any electrical work be carried out by unqualified persons.

All electrical components are suitable for outside of Zones 1& 2 bathroom use only.

After a period of time the light will become hot, do not touch the light until it has been turned off and allowed to cool.

All component and manufacturing instructions supplied with the electrical products must be followed at all times and the product installed within the correct Zone as required by electrical regulations. All electrical products and components supplied must be protected by a 30MA-RCBO (RCD) breaker.

All electrical products are certified to the appropriate BS-EN standards.

Guarantee

All our furniture ranges are covered by a 5 year guarantee from the date of purchase, which covers all manufacturing defects. This guarantee does not cover damage during fitting or misuse. Products must be installed and cared for as detailed in the fitting instructions. The guarantee applies only to the original purchasers of the products and is not transferable. The guarantee is limited to domestic users only, items should not be exposed to extreme heat, moisture or poorly ventilated areas.

In the unlikely event that the product fails within the 5 year guarantee we will replace the part (or nearest equivalent) of the product which has failed. Notice must be provided in writing detailing the product failure. Liability is limited to individual products and does not cover consequential loss or damage, installation costs or financial compensation. The customer will be required to pay for the cost of installation of the replacement part. The guarantee is in addition to and does not affect your statutory rights. Further terms and conditions are available upon request.
