Job Role

We are looking to improve our resources by recruiting a trainee management consultant to support our growing client base. The role itself will suit a recent graduate looking to build a career in finance.

Typical day within this role may include any of the following

- Analytical work / Report writing
- Client meetings
- Marketing activity

What we are looking for:

- Graduate - Business Degree an advantage, but not essential
- Strong Work Ethic
- Strong understanding of Microsoft Excel (VLookup / Pivot Tables / Macros)
- Attention to detail
- Ability to communicate effectively in verbal and written English
- Finalysis operates nationwide therefore the successful candidate must be comfortable with travel commitments

What do we offer:

- £20,000 pa starting salary – with incremental increases on achieving defined milestones
- Internal training across a wide spectrum of Banking, Debt and Treasury products.
- The opportunity to make an immediate impact within the organisation
- Opportunity to study for professional qualifications
- Defined career progression – we are seeking an individual with the ability and ambition to grow within the company.

How to apply:

Cover letter & CV to recruitment@finalysisuk.co.uk
