Manuel anglais 3ème 2022

Discover the enrichments of your manuals and new resources prepared for you. To best align with your pedagogical practices, the manual interface allows: a web-based view with features for DYS (font, read texts...) and an adapted display for all screens. Exchange content in the manual with your students. Good discovery of these innovations! Official Textbook List 2024/2025 Academic Year General Secondary Education: First and Second Cycles.
