TEXTURE DOOR FINISH

- Designed and manufactured in Italy
- 2 collection with 20 modern colors in stock and others on special order
- Carb 2 compliant
- Extremely durable
- Looks and feels like real wood veneer
- Cost saving compared to real wood veneer and reconstituted veneer
- Environmentally friendly
HIGH GLOSS FINISH

- High Gloss panel is produced by using double-faced Melamine MDF or Chipboard in single side application of acrylic based high gloss or matt finish (zero or silk matt) lacquered paints.
- All of our MDF and chipboard boards are double faced Melamine.
- The used UV paint does not contain solvent, the flammability is very low and environmentally friendly.
- The gloss level is between 95-100.
- The product has high surface resistance, impact resistance and abrasion resistance.
- It has high surface resistance to solvents like acetone or thinner.
- It has high resistance to sunlight and fading.
