Early Learning Center

Play, Learn and Grow... Together!
ABOUT US:

Welcome to the East Valley Boys and Girls Club Early Learning Center. The East Valley Boys and Girls Club is a non-profit organization founded in 1975 and has been providing programs to their youth and families in the San Gabriel Valley. Our Early Learning Center is Licensed by the State of California (#191596978).

We are excited for the opportunity to be able to play an active role in the growth and development of your child’s early years. Our goal is to provide a safe and nurturing environment that develops positive self esteem and academic achievements.

OUR STAFF:

Since we know high quality teachers and aides create a high quality program, we hire only the best candidates. All employees are fully screened, fingerprinted, CPR/First Aid trained and must meet the educational requirements set forth by the State of California Licensing Division under Title 22. All of our staff members are encouraged to attend professional workshops and trainings whenever possible.

We are mandated child abuse reporters and are legally required to file a report if abuse is suspected. This is for the safety of your child and all children in our care.

Early Learning Center
Curriculum and Programs

OUR PROGRAM:

Our Early Learning Program is designed to enhance the development of the whole child and is based on the California Preschool Learning Foundations and Curriculum Framework. This is an Academic and Play base program and we concentrate on the following areas:

Language & Literacy
Social & Emotional Development
Physical Wellness
Cognitive Development
Self-Esteem Building
Creative Expression
Computer & STEM Activities

We focus on pre-reading skills such as letter recognition, comprehension, and the joy of listening to a good story. Pre-writing skills are encouraged through practicing the alphabet and their names, instructing the child how to write and correctly hold a pencil. For math our focus is counting, number recognition, size concepts and patterns. Other areas we concentrate on are weather, animals, healthy habits, and just being a kid!

We also enjoy arts & crafts, song and dance, outside play with and without instruction.

PROGRAM FOR OUR 2 YEAR OLDS:

We follow the same curriculum for our two year olds, just on a smaller scale. It is based on their individual development and needs.

Potty Training is also a big part of being a two year old and that is met with positivity and praise.

(Parents need to supply the diaper & wipes.)
