The leader, the innovator, in the stone industry in Hawaii, we stock a diversified selection of marble, granite, travertine, limestone, onyx, sandstone, fossil stone, coral stone, quartzite, slate, basalt and lava in dimensional tiles, random flagging, wall veneer and mosaics. We pride ourselves on superior quality with competitive pricing.

*Stone is a product of nature, which varies in color, texture, veining and grain. Since it is impossible to produce a sample containing all variations, these photos give only an approximate idea of the general appearance of stone in a larger slab.

OUR VISION
To maintain our reputation as the largest and most diversified flooring and countertop supply Company in the State.

To provide quality products at competitive prices with timely deliveries that are tailored to meet the specific goals and budgets of our clientel.

To continue to set the standard for the project industry by increasing our extensive network of reputable quarries and factories worldwide. Our primary emphasis is places on innovative product development.

OUR COMPANY
Established in 1998, Selective Stone LLC was organized to service the growing demand for quality products at affordable prices in the flooring and countertop industry.

Our Company’s direct distribution of pre-fabricated granite and marble panels statewide has earned us the reputation as the “Pioneers in the Pre-fab industry.” With an established global network of manufacturer’s, we have supplied larger scale hotel, condo, timeshare, and housing projects throughout the State with confidence.

Complementing our complete line of hardscape, exterior paving stones, are our colorful and versatile porcelain and glass pool tile mosaics. Accessories such as setting materials, grout, stone sealers, strippers, polishers, and fabrication tooling are stocked for immediate purchase. Our new “Tru Color” stain and water proof grout is an excellent choice for bathroom applications.

Our latest addition to our pre-fab collection are our exclusive quartz-based, engineered stone countertops.

OUR STAFF
The Company’s combined experience of over 70 years in the flooring and countertop industry, coupled with its established relationships overseas, has been the Company’s success for quality products with timely deliveries.

Our trained design team, with auto-cad drawings for larger projects, prides itself on service with integrity. Stop on by and visit our two showrooms; as our friendly and knowledgeable staff is looking forward to assisting you on your building requirements.

Our extensive network for sourcing materials, competitive prices, and large locally stocked inventory has truly made us the leader in the flooring and countertop industry in Hawaii.

“SELECTIVE STONE, YOUR ONE STOP CENTER FOR ALL YOUR FLOORING AND COUNTERTOP REQUIREMENTS.”
