- Installed in just a couple of days - your landscaping remains intact because no heavy equipment is used
- Extra small mesh "no-see-um screens" and heavy duty pet screen available (special order)
- 15 year manufacturer's warranty
- A sound investment that adds value to your home

### FLEXIBLE, EASY UPGRADES

1

#1 - Betterliving **'STARTER'** program  
Enjoy shade and shelter with an economical 3" patio cover now ...

2

#2 - Screens can be added later ...

One big advantage of choosing Betterliving is flexibility. Our 3" insulated Patio Cover can be converted to a screen room or glass and screen Sunroom when your needs change or your budget permits. Sliding glass windows and doors can be added later to your Screen Room for added protection from the elements.

3

#3 - And when you are ready, we can add glass and screens to create a Sunroom!
