ABOUT CHELLAS:

Chellas Arepa Kitchen is excited to bring to the Lancaster area a vibrant fusion of South American inspired comfort food. Being born and raised in Peru, Luis grew up watching his grandmother, Chella make lots of traditional meals.

He wants Chellas to be your first option when it comes down to sharing and enjoying delicious food and a great service with the ones you love. Like at Chella's house it wasn't just about the food, but of the many flavors and the conversations. Often many friends and family would gather to laugh and experience the delicious food she would prepare with love and so many mouth watering flavors.

-Welcome to her home.
