SMILE PROVOKING FUN FACTS

- Over time, the length of February kept changing. At one point, it had as little as 23 days. There are 28 days this year. The next Leap Day (29 days) will be in 2024.
- February is the only month where it's possible to go the entire time without having a full moon.
- The average woman smiles 62 times a day. The average man, only 8 times.
