SMILE PROVOKING FUN FACTS

- Humans are the only animals that blush.
- When we breathe in and out of our nose during the day, one nostril does most of the work at a time, with the duties switching every several hours.
- You can sneeze faster than a cheetah can run.

GET THE WHOLE FAMILY HEALTHY!

"Excellent dentistry service. The staff is super friendly and makes you feel right at home. My family is nervous in the dentist chair and these folks help make them feel at ease. Dr. Stewart and Dr. Patel are amazing and make you feel a part of the process."

I chose Smile Savers for the close proximity, but I'll be coming here for years to come. Highly recommended."
