★★★★★ Patient Success Stories

"I did not like going to the dentist and hadn't been in a long time. My teeth were really crooked and I had a hard time flossing and brushing. Dr. Stewart recommended that I start invisalign and told me it would be a great and easy process. I now feel very confident with my smile. All thanks to Dr. Stewart, CJ and the rest of Smile Savers Dentistry." - S.C.

A WORD FROM DR. STEWART

Believe in Tomorrow

I choose to support the Believe in Tomorrow Children's Foundation because it is a Baltimore organization. Unlike many charities, 95% of the money raised each year goes directly to the program!

The foundation provides exceptional hospital and respite housing services to critically ill children and their families. Kids have no choice in the matter when they get sick and they need all the comforts of home to help heal them. Also, I know that their families need the escape as well. I believe that we all need to give back to others because we are all in this game of life together. We all need to pay it forward to make this world a better place.

I want to thank everyone who contributed to the success of this year's Port to Fort, whether it be through buying a raffle ticket or donating to one of the staff members here at Smile Savers. Once again it was a huge success and we had a great time supporting this wonderful foundation.

Dr. Daniel Stewart

MISSION STATEMENT

Our mission is to help people put their past bad dental experiences behind them. We accomplish this through care, understanding and knowledge. We strive to make our patients comfortable and relaxed, and free of all excess pain. When a patient comes to us, possibly frightened or embarrassed about dental problems or a lack of regular dental care, our goal is to make them immediately comfortable. Over time, we aim to completely remove their fears of dentistry and to fully restore each of our patients to optimum dental health. We know that in doing so, we are helping each of our patients toward the goal of a healthier and happier life.

We are always accepting new patients.

Our oral health plays in to our overall health. The case for good oral hygiene keeps getting stronger and stronger! If you know someone who might be in need of a new dentist, we would love for you to refer them to our office. Just pick up one of our Care to Share cards the next time you are here.
