USE IT OR LOSE IT!

Get the maximum benefits from your dental insurance!

If you have dental insurance, did you know that your coverage resets on January 1st and doesn't roll over?

Let's say you have \$500 of dental coverage available, if you don't use it by December 31st, you lose it. That's right, you lose it!

Call us today and let's use it!

We can tell you if you have dental benefits left and how much. If you need more coverage than you have available, we can plan your treatment so that part may be completed by the end of this year, and part can be done next year when your coverage renews.
