The General Manager stated that Maria Smith is working with American Seating to develop the style of seat covers that will be on the new buses that Mountain Line Transit will be receiving. The fabric will have the design of the lion head and paw prints made into the fabric.

Financial Business:

The General Manager informed the Board that the financial report for December 2008 will be presented along with the January 2009 report at the February 11, 2009 Board Meeting.

Old Business:

A. The District Route Change Progress Report

The General Manager stated that the new District Route had started on Monday running from The District Apartments to West Virginia University engineering building. The route has been running on time and so far has been working well.

B. Proposed Route Change –Blue Line to University High School

The General Manager stated that the Mt. Heights bus will provide service to the Greenbag Road and the Mountaineer Mall. The General Manager stated that in the proposal two other trips during the day will be run from the depot to the Mountaineer Mall by way of Brockway Avenue, out Greenbag Road and then turn around and come
back to the depot. This change will enable the Blue Line to service University High
School. The General Manager stated that these new routes would start on February 2,
2009 with the Mountain Line Board approval

Asel Kennedy Made a Motion to accept the new Blue Line and changes to the Mt.
Heights as presented by the General Manager. Denny Plouga seconded the Motion.

For: All  Opposed: None

Denny Plouga requested that Mountain Line Transit talk with the school system about
the proposed change.

C. Youth Commission Free Ride Program Update

The General Manager stated that Mountain Line and the Youth Commission have
decided to use the current student I.D.’s and when the students board the bus. They will
show the driver their I.D.’s and the driver would enter them into the farebox. Dan Wright
will be working with the schools to have the student passes with a magnetic strip so that
the pass will be swiped through the farebox. Mountain Line Transit has entered into
agreement with the Youth Commission and Boparc for monthly reimbursement. The
previous month will be invoiced and the invoice will be paid before the end of the next
month. The General Manager stated that Mountain Line Transit would start the Youth
Commission Free Ride Program on February 2, 2009.

D. United Way “Bus to Work” 30-day Pass Program

The General Manager stated that the United Way “Bus to Work” 30-day Pass Program
has received the funding it needed to get the program started. United Way will provide
Mountain Line Transit with a list of the agencies they want to be able to participate in
this program. Each agency will be given a code so that they will be able to go to the
Mountain Line Transit web site and complete the application and the information will be
sent to Mountain Line Transit depot staff and the depot staff will print this out, write the
number of the pass on the application and give the participant a 30 day pass. Mountain
Line Transit will invoice United Way for the passes sold.

E. Cassville Demonstration Project Update

The General Manager stated that there has been a 32% increase of ridership for the first
eight months on this route since the Cassville Demonstration Project began. Seventy-four
percent of riders paid with passes and twenty-six percent used a pass of some form.
Twenty-four percent of the passengers transferred to another route. The General Manager
recommended that due to the success of the Cassville Demonstration Project that it be
permanently funded by the City of Morgantown and the County Commission.

Denny Poluga suggested the General Manager attend the City of Morgantown
Committee of the Whole Meeting in January to provide information about the Cassville
Demonstration Project route to Morgantown City Council. Ron Bane indicated he would
speak with the City Manager to request the General Manager be invited to make the
presentation.
