Old Business:

A. Intermodal Facility Update

The General Manager stated that he had received an email from David Smith who is the Contract Manager for West Virginia University. They have gone through the evaluation process and two of the firms had presented bids that are being considered by West Virginia University. Therefore, there should be an announcement in the next few weeks as to which firm is selected. The General Manager stated that the Intermodal Facility expected completion date is in twelve to fourteen months.

New Business:

A. Current Rider Survey (Results Presentation)

The General Manager stated that a survey had been conducted to determine the impact that Mountain Line Transit has on how the students determine where they are going to live. There were one hundred and ten surveys returned. One hundred and five of them were students, and four were faculty members. The General Manager reviewed all of the results of the survey with the Mountain Line Transit Authority Board.

B. U.S. Veteran Ridership Survey Results

The General Manager stated that passengers had been surveyed to find out how many are U. S. Veterans. The General Manager reviewed the results of the survey with the Mountain Line Transit Authority Board. He stated that there had been three hundred and twenty eight surveys returned. Fifty of the surveys indicated that they have a Veteran status. The next steps will be to determine the potential system cost of a half fare for the U.S. Veterans, change all the schedules, update the Gold Card application, and update the web site with the information. Any Veteran interested would complete a Gold Card application and provide photo identification and confirmation of their honorable discharge.

C. Bus Stop Shelter & Signage Progress Report

The General Manager stated that there has been a chart made of some potential locations for bus stop signs and shelters. The Transit Authority is trying to work with City Hall to find out what permits are needed to install the bus shelters. The General Manager will have a meeting with the City Manager and see what can be done to speed up the process.

D. Appointment of the General Manager as Mountain Line Transit’s representative on the Metropolitan Planning Organization Policy Board
