New Business:

The General Manager stated that the Federal Transit Administration had updated their Substance Abuse Program. Mountain Line Transit Authority must update their Substance Abuse Policy to reflect the changes made by the Federal Transit Administration. The General Manager is requesting that the Authority Board Members update the policy as presented.

B. 35’ Heavy Duty Bus (7) Purchase ($2.3 million)

The General Manager stated that the Division of Public Transit is allocating Mountain Line Transit Authority $2.25 million dollars in capitol funds out of its fiscal year 2009 5309 funds for the purchase of vehicles. Mountain Line Transit can determine the type of buses they would like to purchase according to state contracts. It will take one year for the buses to be delivered. The Division of Public Transit had to be contacted by September 2, 2008. The General Manager has made the decision to purchase the buses. The Transit Authority will also have to provide a $214,000.00 match. The Authority can only replace buses that the Division of Public Transit had originally purchased for Mountain Line Transit and that limits the Authority to eight buses. The General Manager reviewed the features of the buses with the Transit Authority Board Members.

Hugh Kierig Made a Motion to affirm the decision of the General Manager to purchase the seven thirty-five foot heavy duty buses with a match of $214,000.00. Asel Kennedy seconded the Motion.

C. Letter of Support for Sunnyside The Increment Financing District

The General Manager stated that James C. Hunt, Executive Director of Sunnyside Up has requested that Mountain Line Transit write a letter of support for Sunnyside Up proposal for The Increment Financing District. The General Manager suggested that a letter be written that would let James C. Hunt know that Mountain Line Transit would like to work with him to develop transportation plan but as a non-decision making body we really don’t feel it is the Authority’s place to declare support or non-support for an effort that the Transit Authority’s appointing bodies are going to ultimately decide.

The Mountain Line Transit Authority Board agreed by consensus that the action to take is to write a letter to James C. Hunt explaining the Authority’s position concerning the letter of support.

The General Manager requested that the October Transit Authority Board Meeting be changed from October 8, 2008 to October 15, 2008.
