

## **Safeguarding vulnerable adults**

This one-day course **aims** to provide an overview of the abuse of vulnerable adults including the different types of abuse, the indicators and who is at risk. To consider how to appropriately intervene and report such abuse and explore good practice and the legal, policy and regulatory context in abuse situations.

### **Learning outcomes**

- Describe the indicators of the different types of abuse.
- Demonstrate an understanding of why elder abuse happens and recognise the risk factors leading to abuse.
- Know how to intervene appropriately in abuse situations.
- Know how to record and report abuse situations.
- Understand the principles of good practice in relation to preventing abuse.

This course can be redesigned and tailored to meet your specific requirements.
