

JKB Installs

RANGEHOOD SPECIALISTS

OUR GENUIS

Our job as a specialist installer is to ensure your rangehood or extractor fan is installed properly and performs well.

We are approved installers for Sirius and Schweigen silent rangehoods. We install all brands of rangehoods and bathroom fans.

NZ building codes compliant.

We stand behind our work - a 100% quality, efficient, reliable installation.

We provide all materials you may need for the complete rangehood installation to ensure it is working at its best just as the manufacturer intended.
