Join Gail and Jeff for their ninth annual Bridge Camp at the magnificent Cranwell Resort in the Berkshires. This has become a very popular event for bridge lovers, music lovers, and those who just appreciate lovely surroundings. Be pampered at the luxurious Cranwell Resort, Spa & Golf Club, participate in Gail and Jeff’s incomparable bridge program, while squeezing in a round of golf or tennis and joining them for three special excursions.

Gail is a recent inductee into the Bridge Hall of Fame, a six-time World Champion, and countless time National Champion. She is a Grand Life Master, author of four bestselling bridge books and founder of two of the biggest bridge clubs in the USA. She is both an incredible player and teacher. Jeff is a US, Panama and international champion, an ACBL Emerald Life Master, and an outstanding teacher.

Gail and Jeff in January completed their 28th Bridge Sprees with a bridge camp and regional tournament in Bermuda. The camp was a great success. Students who stayed on to play in the regional did very well, one pair winning an event. And, Gail and Jeff topped it off by winning the two major pair events and walked off with the players of the tournament trophy.
What makes Bridge Sprees with Gail and Jeff truly unique?

The fact that the duplicates and team games are large enough to be challenging and offer full masters point awards, yet, the lessons are small enough and flexible enough to cater to each student’s ability and needs. Students remark: “It feels as if Gail and Jeff are talking directly to me. Their classes are amazing one-on-one experiences.”

Included in Gail and Jeff’s Bridge Camp are ALL of the following:

♦ Three bridge activities per day, but only two when there is a special outing (one of which will be Yo-Yo Ma in concert at Tanglewood, the other Uma Thurman in Ibsen’s “Ghosts” at the Williamstown Playhouse).

♥ Morning lessons starting with 1½ hours with Jeff covering the basics, and concluding with 1½ hours with Gail covering more advanced topics. All campers can attend the class they prefer, or both.

♣ Afternoon Duplicates, including hand records and post-game question and answer clinic.

♦ Evening informal or team bridge.

♣ Full breakfast and lunch snack daily.

♥ Welcome cocktail party and dinner.

♣ Farewell dinner and awards ceremony.
