

strong. durable. stylish.

Model 8700 is engineered to provide a maintenance free and elegant look that will last a lifetime.

These doors won't rust, fade, crack or dent. It is the ultimate door for easy-care living.

Model 8700 Colonial Panel, Glacier White finish, Ruston windows

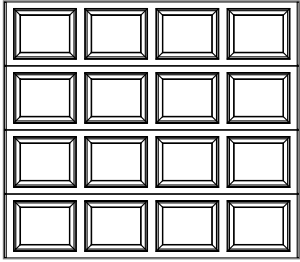

PERFORMANCE FEATURES

- This door has full PVC color construction. This means scratches are less visible because the color goes all the way through the material.
- The UV-Resin used in the door's construction contains special polymers that protect the door sections from the sun's harmful ultraviolet rays.
- Tamper-resistant safety bottom brackets help avoid possible injury by preventing inadvertent loosening while the counterbalance cables are still under tension.
- The Wayne Dalton TorqueMaster® Plus is our exclusive counterbalance system that safely and cleanly contains the springs inside a steel tube. TorqueMaster Plus® features anti-drop safety technology.
- Recommended for coastal regions for its resistance to salt air and sand.

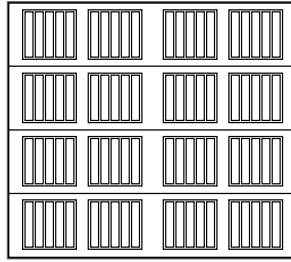

Wayne Dalton Windsafe doors have wind load-rated reinforcements to comply with various approval agencies, including Florida Building Code, TDI (Texas Department of Insurance, and Miami-Dade County (FL).

1 Choose Your Style

Colonial

Sonoma

2 Choose Your Color

Glacier White

Prairie

- ① R-11.75* polyurethane insulation is permanently bonded to the vinyl skin for thermal efficiency, durability and added rigidity.

- ② Twin 20-gauge steel C-channels run full length of each panel and are anchored to interior steel stiles for strength.

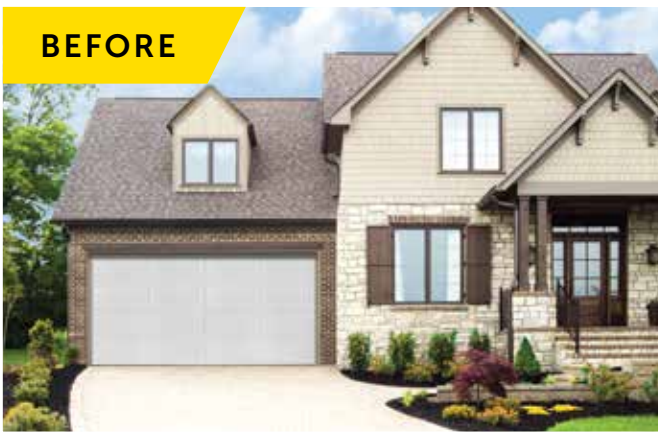

*Wayne Dalton uses a calculated door section R-value for our insulated doors.

Wayne Dalton warrants this door for 15 years against peeling, flaking, chipping or cracking of the vinyl skin and 5 years against excessive color fading of the vinyl skin. See the warranty certificate for more details.
