Specialised Facial Treatments

**Oxygen Facial** - 60 mins $105.00

Skin and Tonic specialise in oxygen facials: these treatments are called Rejuvenation, Atoxelene and Opulence infusions. These infusions plump the skin, smooth fine lines & wrinkles, inhibit the formation of further discolouration and boost any devitalised, dull skin.

**Microdermabrasion and Oxygen Treatment** $190.00

**AHA/BHA Peel** - 30 mins $68.00

Glycolic, Lactic, Mandelic and Salicylic peels in various strengths and designed for personal skin concerns

**Mini Micro** - 30 mins $63.00

This is a medical technique for removing the upper layering of skin leaving it smooth and revitalized. It gently abrades the skin with natural diamond chips while at the same time vacuuming the dead skin cells away in a sterile and controlled manner. Removing this outer layer of skin leaves a smoother texture and promotes new collagen growth.

**Microdermabrasion** - 45 mins $95.00

*(Includes Sonophoresis)*

**Dermal Needling** - 60 mins $315.00

An exciting new anti-ageing treatment which leads to formation of new collagen and elastin. Used to fade scars, reduce lines and wrinkles, rejuvenate skin and even out pigmentation.

Treatments are performed 6 weeks apart and may be purchased in packs of 3 or 5 Sessions.

*Price on Application*

Pre treatment products may receive 20% off when booking your first treatment. *(Pre paid)*
LPG – Endermologie

A 100% natural technique from France – not aggressive – no injections.
Remove fat resistant to diet and exercise.
Rejuvenate the skin from within.
Using a mechanical action.
For the face it targets the connective tissue in the dermis. Stimulating the fibroblast cells to produce collagen, elastin and hyaluronic acid. Oxygenates, firms and plumps the skin.
For the body it targets the adipose tissue. Stimulates our body’s ability to release fatty acids. Draining, slimming and firming

Consultation is mandatory. 45 minutes NC
Complete a questionnaire. Photos
