

"At this year's Festival in Verbier I had the pleasure of working with Maestro Claudio Vandelli. It was a joy to observe his committed attitude and complete sense of responsibility in dealing with his orchestra. Also as a colleague he was very loyal in sharing his concerns and I appreciated his keen ear and artistic understanding. I wish him all success in his future endeavours."

Herbert Blomstedt

"Thank you, my dear Claudio, for the superb work you have accomplished for these 2 tours in Asia. I very much appreciated your concert in Thailand. You are a marvellous musician and, as I could realize, you have a great and very rare rehearsal technique, that very few conductors possess. Congratulations and all my best wishes,

Charles" (Dutoit)
