

RECARO Specialist Advantage Series

A specialist is a master of its craft, and the RECARO Specialist perfectly encompasses that mantra.

A true performance chair - features include slight side and cushion bolsters, a fluidly adjustable backrest tilt, 2D or 4D armrests for maximum adjustability, and a double chamber air lumbar for premium lower-back support.

The results are an other-worldly user experience, specifically catered to intensive-use environments.

*Suggested weight rating of 250 lbs. Ideal for users up to 6'2".
Contact a seating application specialist for further details.*

RECARO Specialist Operating Instructions

Comfort Headrest:

Height & tilt adjustable. Well padded and trimmed for excellent comfort.

Airmatic Lumbar Support:

Triple chamber design provides extra support for your lower back.

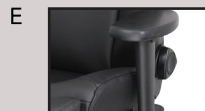

Height Adjustment Lever:

Lift paddle to adjust height up and down.

4D Armrests or 2D Armrests:

Height, width, depth and angle adjustable. 2D is only height adjustable.

Recliner Knobs:

One located on each side of the chair. 25° recline with 20° tilt range provides a full 45° of recline and relaxation.

Tilt Lock/Unlock Knob:

Push button in and release to lock/unlock tilt position.

Adjustable Side Bolsters:

Provides extra support and lower back comfort.

Tilt Tension Control Knob:

Controls the tension in the knee-tilt mechanism. Turn counter-clockwise to increase tension.
