PeaceJam Foundation: K2H Liaison - K-12 Outreach

Campus Compact of the Mountain West

Campus Compact of the Mountain West (CCMW) is a membership organization that engages college and university presidents throughout Colorado and Wyoming as part of a national coalition of more than 1100 colleges and universities across the country. These institutions are passionately committed to the value service learning and civic engagement brings to higher education and the community. We connect student needs to community needs by empowering students to get involved in social issues where they can make a difference – not only in the lives of others, but also in their own growth as students and citizens of the world.

K2H Civic Futures AmeriCorps Program

The K2H Civic Futures AmeriCorps Program focuses on civic learning and engagement opportunities and skill development for kindergarten through higher education (K-H) students. In addition, the K2H program strengthens partnership pipelines between K-12 systems and higher education systems that create continuity for civic learning and engagement initiatives as students transition from K-12 to higher education.

PeaceJam Foundation

The PeaceJam Foundation is an international organization led by 14 Nobel Peace Laureates whose mission is to create young leaders committed to positive change in themselves, their communities, and the world through the inspiration of Nobel Peace Laureates who pass on the spirit, skills, and wisdom they embody. PeaceJam's international headquarters is located in Arvada, Colorado.
