OUTER BURIAL CONTAINER PRICE LIST

These prices are effective as of **December 12, 2016** but are subject to change without notice.

In most areas of the country, state or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a burial vault or a grave liner will satisfy these requirements.

All prices are based on the local franchised distributor for the Mount Laurel Home for Funerals.
