# Make *Technology* Work for You

Seifert Technologies IT Division is a full service IT consulting firm. Our Microsoft Certified Solutions Engineers (MCSE) study your business model and design an IT solution to align your technology with the financial goals of your company.  From network implementation to HelpDesk support, Seifert offers a full range of services.  If you already have IT staff on-site, we will work collaboratively with them to streamline tasks, reduce equipment downtime, improve security, and provide a reliable IT infrastructure that keeps your staff and your customers happy.

Seifert Technologies, Inc. is a Value Added Reseller and technology implementor partnering with:
