### **2016**

*Binbirri; Pilbara people safely delivering service to the Pilbara Community*

**SAFETY, SERVICE, COMMUNITY**

Binbirri Contracting was established in 2010 and provides safe and efficient earthmoving services and skilled Operators. Our goal is to create employment and training opportunities for local Indigenous people and establish relationships with other Pilbara based Indigenous businesses.

Binbirri has entered into joint venture with Cross Verwijmeren Pty Ltd to broaden our capabilities.

### **Capability**

We are a Pilbara owned local Indigenous Earthmoving Company whose owner is from the Banjima Language Group who has over 20 years' experience within the industry.

Binbirri's ambition is to create a sustainable business and to increase Indigenous participation in capital development and employment within North West Australia.

We are experienced in achieving and maintaining a zero harm safety culture, by increasing education of our workforce and promoting positive interaction by all employees, and through partnering our own and Clients Safety and Training Programs.

We have been able to attract and retain a skilled and proactive workforce who possesses the knowledge and experience crucial to completing work of the highest possible standard throughout our operations.
