

Your privacy is important to us. Therefore we have developed a Privacy Policy (this “Policy”) that describes the ways Adam’s Motor Repairs LTD. (“Adam’s Motor Repairs LTD”, “us”, “our” or “we”) collect, store, use, and manage the information, including personal information, and data that you (hereinafter referred as “you” or “user(s)”) provide or we collect in connection with our website (the “Site”) or any Adam’s Motor Repairs social presence on a mobile platform (for example, iOS and Android) or on Facebook (collectively, the “Service(s)”).

Please note that the scope of this Policy is limited to information and data collected or received by us through your use of the Service. Adam’s Motor Repairs LTD is not responsible for the actions of third party people or companies, the content of their sites, the use of information or data you provide to them, or any products or services they may offer. Any link to those sites does not constitute our sponsorship of, or affiliation with, those people or companies.

By using the Service, you are expressing your agreement to this Policy and the processing of your information and data, including your personal information, in the manner provided in this Policy.

IF YOU DO NOT AGREE TO THESE TERMS, PLEASE DO NOT USE THE SERVICE.

If you have any questions or concerns, please contact us with the information provided in the Contact Information of Data Controller section of this Policy.

INFORMATION AND DATA WE COLLECT

Here are some example of information and data we may collect from you:

- Data that are collected automatically (such as IP Address, your device’s operating system, browser type and language);
- Identifiers that are used to identify your mobile device such as your unique device ID (persistent/non-persistent), hardware type, medial access control (“MAC”) address;
- Profile information that you volunteer (such as name, email address, profile photo, gender, age or birthday, links to profiles on other social networking websites);
- Employment information (such as name, email address, phone number, resume).

TRACKING TECHNOLOGIES

We and our marketing and outsourcing partners, affiliates, or analytics service providers use technologies such as cookies, beacons, scripts, and tags to identify a user’s computer/device and to store information about your visit. Information contained in a cookie may be linked to your personal information, such as your user ID, for purposes such as improving the quality of our Service, tailoring recommendations to your interests, and making the Service easier to use. You can disable cookies at any time, although you may not be able to access or use features of the Service.
