£20.80 inc. of VAT

All dimensions are approximate. The prices above include Standard Liability up to a maximum per unit as shown above. If you would like us to accept liability over the maximum shown above (as separately advised by you) our price(s) will be increased to reflect the higher level of liability. Rental is payable 4-weekly and in advance of the billing period. A deposit equivalent to two weeks' rental is required at the outset, at which time we will set up a Direct Debit agreement for ongoing storage payments. To terminate the contract, two weeks' written notice is required for billing purposes. Any full weeks' rental/deposit not used will be refunded at the end of the contract subject to satisfactory inspection of the units.

We are required to see 2 items of identification (passport, driving licence, utility bills etc.) and all clients must provide us with a FULL communication address and telephone number. Clients are required to provide their own padlocks for the unit(s), which can be purchased in reception. Packing materials, blankets, silica gel and other materials are also available for purchase.

All the units are portable and will be placed in the loading areas during access and stored away at all other times. There is no need for carrying over any distance or the need for trucks or trolleys. (This does not include document storage units, which are static.) Whilst the units are stored away, access to them is impossible.

Access is free during opening hours, but we advise all clients to give at least 24 hours' notice, by telephone (emails are not always picked up), for access to avoid unnecessary delays. Access may be denied if clients turn up without having given prior notice and access WILL be denied if the account is in arrears.

Last entry ½ hour before closing.

Usual opening hours are:	Monday to Friday	09:00– 17:00
	Saturday	08:30 – 12:00
	Sunday	CLOSED

Christchurch Self-Store may change these access times without prior notice. Clients should always check before arrival.
