

LUXOTEC

Aluminium Entrance Doors

Front Entrance Doors

Your front door is usually one of the key elements in the first impression of your home. As well as matching the exterior of your house, it must be safe, warm, secure, and maintenance-free.

We offer a wide range of made-to-measure doors with numerous design choices including bespoke manufacture.

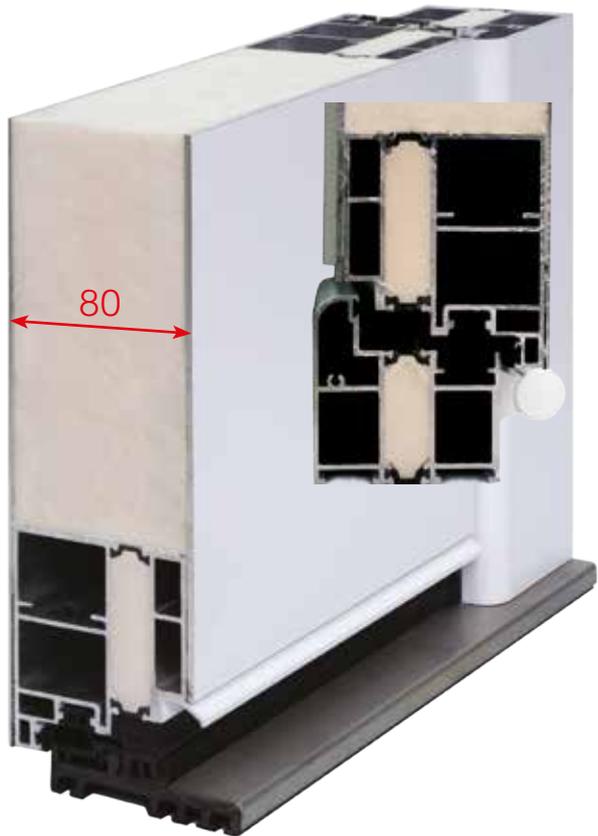

The latest technology combined with cutting edge design gives outstanding aesthetics and performance.

LT 80

Frame is made of aluminium profiles with 20 mm thick thermal break. Leaf is 80 mm thick with aluminium sheet skin. Leaf can be with 41 mm thick infill panel or glass. Thermal insulation - freon free PU foam.

U-value up to
0.68 W/m²K

You can choose between two types of frames

1. Flat
Leaf and frame are in the same plane

2. Jutted
Frame is jutted against leaf

Electric multipoint locking available
(with optional remote, finger scanner, or digital keypad)

Threshold

Door threshold has triple sealing and 'pop-up' magnetic seal.
Hi-end durable and maintenance-free threshold system significantly improves insulation and is suitable for wheel-chairs.

Made by

Brushed Aluminium Detailing

Durable aluminium inlays create a premium feel, and elevate your front door into something special.

Stainless steel handles

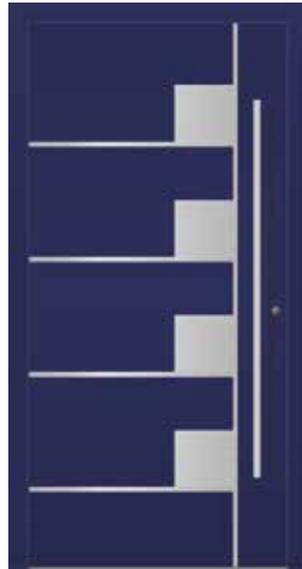

Lever handles / Knob handles
