Various standard step frame and sloping flat trailer with clip on ramps

All our Trucks & Trailers have a VOSA certificate of Keeper which also enables International 'CONVOI EXCEPTIONNEL', permits to be applied for with ease.

We have **CAT 1 CAT 2** permits already in place for France for maximum vehicle dimensions of 25 meters long, 4 meters wide, 4.5 high and 48.000 kgs max gross weight.

We also have 3 meter wide roaming permits for Belgium, Holland & Germany.

We have a 3.5 meter wide UK dispensation which allows us to move up to 3.5 wide without prior notice to police forces.

All loads that need 'ESCORTING' are done by ourselves with our own 2 vehicles. Conforming to the latest highways agency specification and fully trained drivers to ensure a safe delivery of your goods.
