This will be a \$499 value-priced online program and I am already selling one-on-one coaching case studies for \$2500. ✓

I want to prove this program is truly a game changer and need case studies to prove it.

But you must have some skin in the game or you won't take it seriously.

I am offering it to you NOT for \$499, or \$299, or even \$199.

You will get the entire program and my coaching for only \$52!

AND... If you don't lose at least 20 pounds during the program, I will refund your money!

You have my  % guarantee!

FYI...This program is the final phase of my Forever Transformation System (FTS) I am launching later this year.

FEAR NOT! This is not a chicken and broccoli and carry my gallon jug of water everywhere plan.

This is the FLEX eating plan I have been calling the “STEAK, CAKE, & COCKTAILS Diet in my online posts and LIVE videos.

You will learn how to lose excess belly fat and restore your metabolic health without:

- endless workouts
- having to eat “diet food”
- taking diet pills
- giving up your lifestyle!

I want to prove this is possible.

Your results will be the proof!

What do you have to lose besides some stubborn weight?

Nothing!!

Remember the \$52 investment is  guaranteed by me.

- If you are one of the chosen case studies, I look forward to the journey together.

It will be LIFE CHANGING!

Cheers! 🙌
