*Safe transport of goods*

## We operate a fleet of vehicles consisting of:

- Articulated / Rigid vehicles with curtain sided euroline and double deck trailers
- Low loader / semi low trailers with a carrying capacity of up to 60 tonnes
- Flat and extending trailers 13.5m-21.5m
- Lorry crane vehicles with lifting capacity of up to 60 tonne metre
- Some vehicles with Moffett Mounity fork truck kits

## Highly skilled Drivers

When it comes to haulage, it is essential that the vehicles are well maintained and that the drivers are fully qualified. All of our lorry crane vehicle drivers work to CPCS or ALLMI as standard. They are also trained in access equipment (HACEM & IPAF)
