Registration

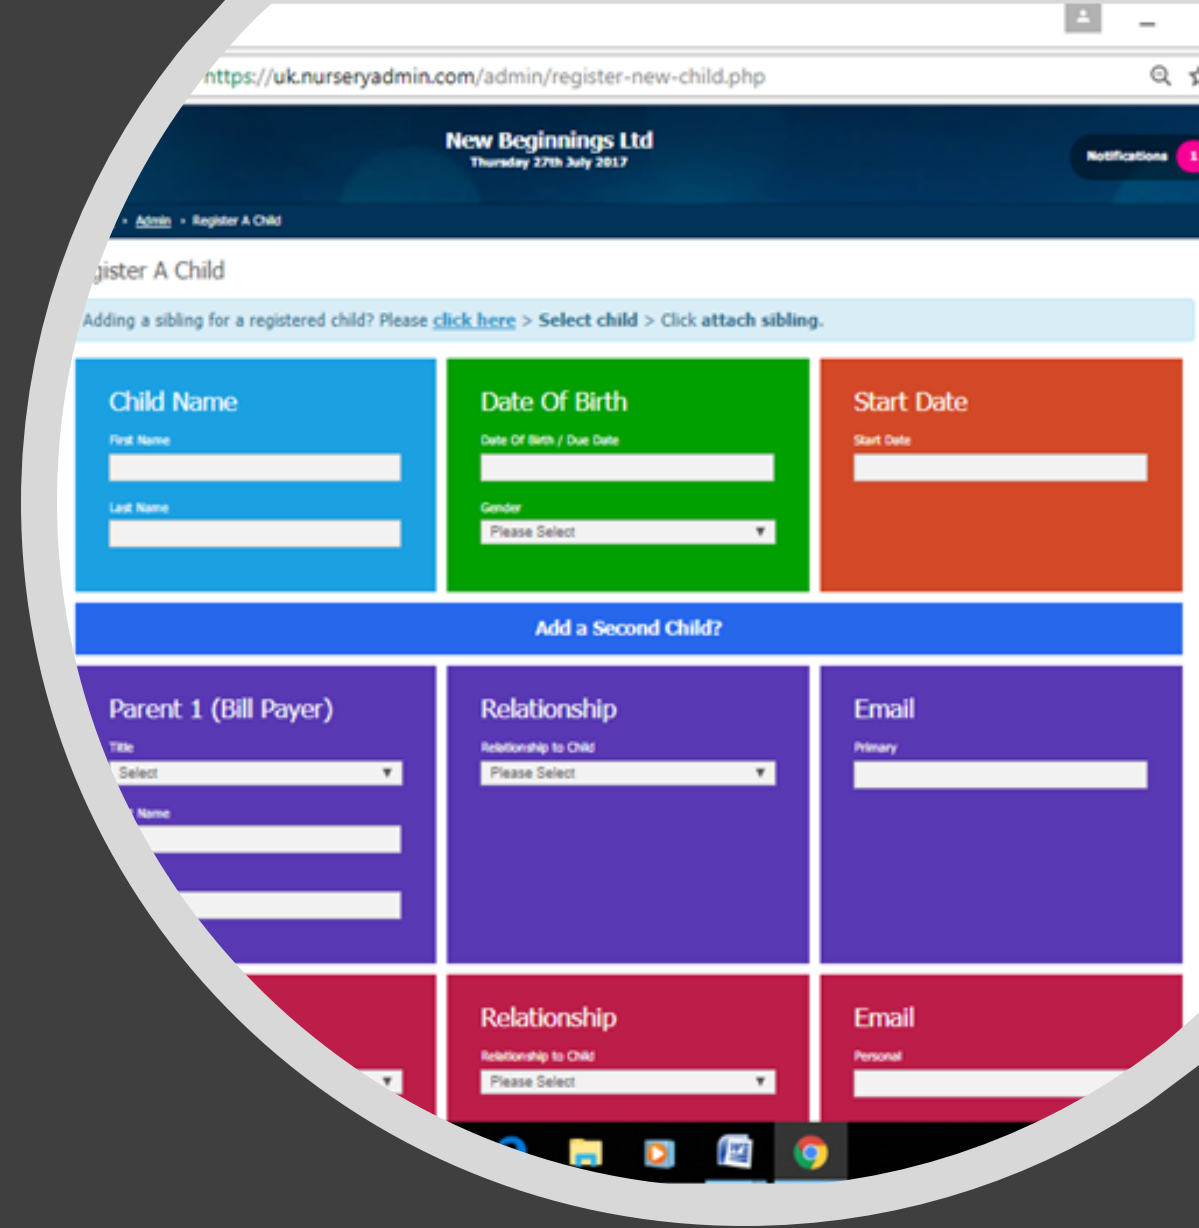

A staff member will register the children on arrival and departure. The register will be used in the event of a fire.

Registering your child

We will take you through a process when registering your child whereby you can provide information to us.

Please have information ready such as; emergency contact details, children's routines when registering such as sleep patterns, bottle preference, milk preference, dummies, allergies, intolerances, medical information, social service involvement, additional learning needs.

The screenshot shows a web browser window with the URL <https://uk.nurseryadmin.com/admin/register-new-child.php>. The page header displays "New Beginnings Ltd" and the date "Thursday 27th July 2017". A navigation bar includes "Admin" and "Register A Child". The main heading is "Register A Child". Below this, a light blue banner contains the text: "Adding a sibling for a registered child? Please [click here](#) > Select child > Click attach sibling."

The form is divided into several colored sections:

We follow the foundation phase when planning play sessions.

Understanding the world involves guiding children to make sense of their physical world and their community through opportunities to explore, observe and find out about people, places, technology and the environment.

Playing and
exploring -
children
investigate and
experience
things, and
'have a go.

Maths Skills

Mathematics involves providing children with opportunities to develop and improve their skills in counting, understanding and using numbers, calculating simple addition and subtraction problems; and to describe shapes, spaces, and measures.

Expressive arts and design involves enabling children to explore and play with a wide range of media and materials, as well as providing opportunities and encouragement for sharing their thoughts, ideas and feelings through a variety of activities in art, music, movement, dance, role-play, and design and technology. Staff consider the child's needs, interests, and stage of development and use this information to plan a challenging and enjoyable experience for each child in all of the areas of learning and development.

Language, Literacy & Communication Development involves giving children opportunities to experience a rich language environment; to develop their confidence and skills in expressing themselves; and to speak and listen in a range of situations.

Physical development involves providing opportunities for young children to be active and interactive; and to develop their co-ordination, control, and movement. Children are also helped to understand the importance of physical activity, and to make healthy choices in relation to food.

Jamie's train play

31/10/2013 with Jamie Edwards

Jamie really enjoyed building a train track today that it lived in its own tunnel.

He was the train driver, and his train was funny because Thomas is also his favourite.

The key workers use an online system to observe and assess children's development. The staff team devise monthly play plans which are based in the seven areas of learning encouraging social, physical, language, literacy, communication, social & personal, cultural, maths and welsh skills. The staff upload pictures, video clips and descriptions of the child's play. The system determines the next steps for the children and highlights areas for further development. The online journal allows us to partner with parents/carers with an interactive setting.

We are part of the healthy & sustainable pre-school scheme

Children are encouraged in this with activities such as planting & designing healthy lunch boxes.

As Part of the healthy & sustainable pre-school scheme we can no longer accept birthday cakes or sweet treats but will celebrate with dancing, creative play & healthy food.

We are part of the Design to Smile Project

The designed to smile tooth brushing programme is a major initiative aimed at helping to improve the health of young children's teeth in Wales.

Please provide your child with correct clothing for each season;

Winter: hats, gloves, warm coats

Summer: sunhats & sun cream

Autumn: wellingtons, rain coat & umbrella
