Using a black journaling pen and ruler, draw a faux stitching frame around the interior edge of the die cut piece.

Adhere piece to the right of the bottom, left photo, leaving a .25" gap.

Adhere a 2.75"x2.75" photo to the sea creature piece, .5" from the left edge and .25" from the top edge. Your photo will hang over the right edge as shown.

Using foam adhesive, adhere a "Making A Splash" sticker below the bottom 3"x3" photo, overlapping the bottom edge slightly.

Trim one 6.5"x.25" strip and one 6.25"x.25" strip of Deep Sea Fun patterned paper (orange dot side). Adhere the strips below the navy blue piece, staggering them as shown.

Using foam adhesive, adhere a submarine sticker to the left of the orange strips.

Locate the "We Wish We Were Fish" piece on the 4x6 Journaling Card paper. Trim out the oval. Using a black journaling pen, draw a faux stitching line around the inside edge of the oval.

Adhere to the left side of the orange journaling block.

Add journaling to the remaining area on the orange piece.

Isolate and fussy cut a red star fish from the Happy Starfish patterned paper. Adhere it above the "WE WISH WE" using foam adhesive, covering the printed starfish on the oval.

Tie a bow from red baker's twine and attach it above the red starfish.

Adhere three small fish stickers to the inside of the bottom three circles on the left side of the page.

Attach enamel dots above each fish sticker to make bubbles.
