Doodlebug Lily white buttons
Doodlebug Bumblebee Twine
Maya Road chipboard circles
• 2" and 2.25" diameter
white cardstock
PageMaps U cutting files

basic tools

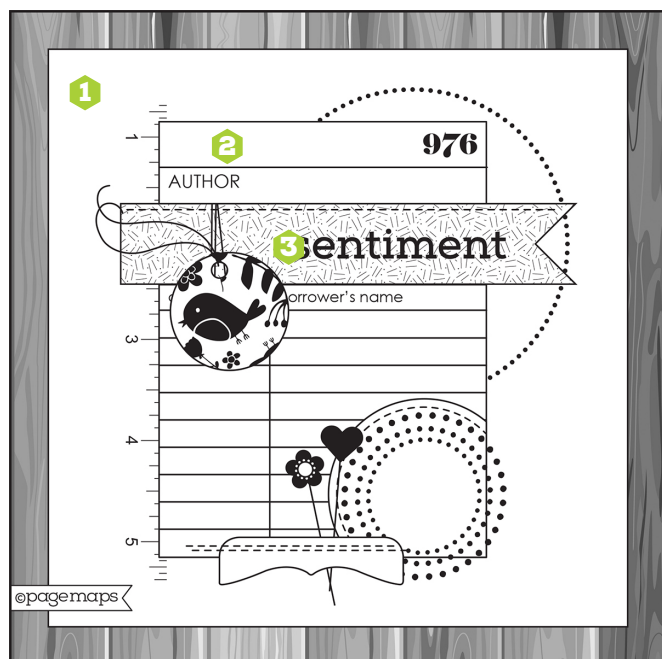

paper trimmer
favorite adhesive
electronic die cutting machine
EK Success fine point glue pen
dimensional adhesive (foam adhesive
and glue dots)
Sookwang adhesive tape
sewing machine and white thread

card dimensions

6" square, opens on bottom

trimming dimensions

- 1 5.25" x 5.25"
- 2 3" x 4"
- 3 4" x .75"

card instructions

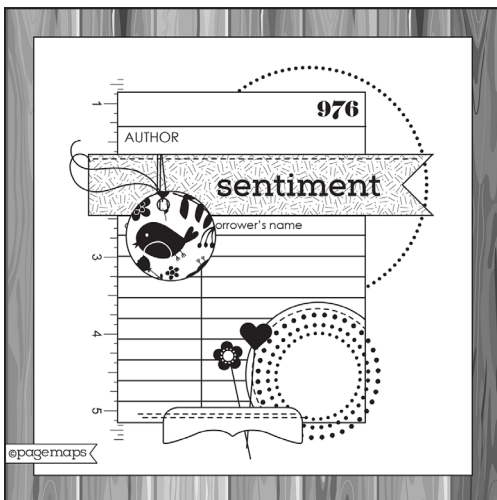

- 1 Make a 6" square card base from white cardstock, with opening on the bottom.
- 2 Trim a 5.75" square piece of red heart paper from the Doodlebug Design Day to Day 6x6 paper pad.
- 3 Trim a 5.25" square piece from diagonal paper found in paper pad. Center and adhere to red heart piece. Zig-zag-stitch around the perimeter of the diagonal piece, if desired. Attach entire piece to card base, centered.
- 4 Trim a 4.5" square piece of green diamond paper from paper pad. Center and adhere to diagonal paper piece with dimensional adhesive.
- 5 Trace one 2" chipboard circle and one 2.25" circle onto yellow sunburst paper found in

paper pad. Cut out circle shapes. Adhere yellow circles to chipboard with adhesive glue.

- 6 Using a fine-point glue pen, adhere yellow baker's twine to the edges of the chipboard circles. Press twine in place until secured.
- 7 Layer and adhere the small yellow circle on top of the larger yellow circle, as shown. Adhere circle assembly to the top left portion of the green diamond paper, using adhesive glue.
- 8 Center and adhere blue notebook journal sticker to the center of the green diamond paper with dimensional adhesive. Note: Avoid placing dimensional adhesive over the area where the sticker overlaps the yellow circles.
- 9 Using an electronic die cutting machine and PageMaps U cutting files, die cut large and small clouds from white textured cardstock. Adhere largest cloud to the center of the small yellow circle with dimensional adhesive.
- 10 Using dimensional adhesive, adhere "so happy together" sticker as shown, overlapping the bottom of the cloud. Adhere smaller cloud to the bottom right of the sentiment sticker, using dimensional adhesive.
- 11 Spell out "we are" with letter stickers, along the bottom edge of the large cloud. Adhere letters with small glue dots.
- 12 Adhere two small heart stickers to the edges of each cloud, using dimensional adhesive.
- 13 Tie yellow baker's twine through two white flower-shaped buttons and attach one to each cloud with a glue dot.

cutting files

NOTE: cutting files are provided in .svg and .dxf formats and work with most leading electronic die cutters (Silhouette, Boss Kut, Pazzle, etc.). If you do not have an electronic die cutter, you can print this page and hand-cut the shapes with a craft knife or small scissors.
