- 9 Using an electronic die cutter, die cut four butterflies from blue map paper. Staple pairs of butterflies together. Using dimensional adhesive, adhere butterflies to front of card as shown.

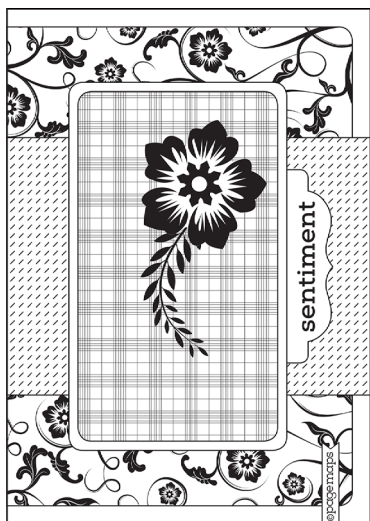

NOTE: cutting files are provided in .svg and .dxf formats and work with most leading electronic die cutters (Silhouette, Boss Kut, Pazzle, etc.). If you do not have an electronic die cutter, you can print this page and hand-cut the shapes with a craft knife or fine-tipped scissors.
