card instructions

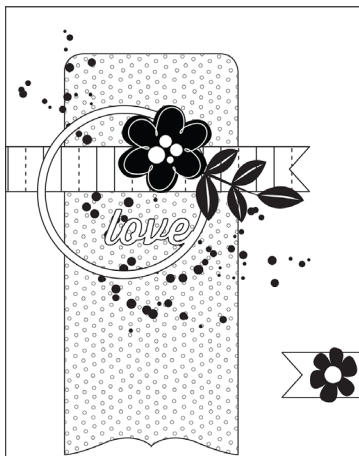

- 1 Make a 4.25" x 5.5" white card base with the opening on the right.
- 2 Trim a 4.25"x5.5" piece of J'Adore diagonal paper. Adhere it to the front of the card base.
- 3 Trim a 3.875"x5.125" piece of white cardstock.
- 4 Trim a 3.75"x5" piece of J'Adore red thin-striped paper. Adhere it to the piece of white cardstock.
- 5 Using the PMU Exclusive Die Cutting file, die cut the bracket strip from J'Adore light blue hearts paper. Adhere it to the left side of the red matted piece, .5" in from the left edge of

the white cardstock mat and .375" from the top edge of the white cardstock mat.

- 6 Using the PMU Exclusive Die Cutting file, die cut the "hello" circle from white cardstock. The circle should be sized to 2.5". Adhere it to the red matted piece, .5" in from the left edge of the white cardstock mat and 1" down from the top edge of the white cardstock.
- 7 Trim a 3.75"x.5" piece of J'Adore dark blue paper. Cut a v-notch into the right end. Adhere the strip to the left side of the card, flush with the left edge and 2" down from the top edge of the card.
- 8 Using the PMU Exclusive Die Cutting file, die cut three of the triple heart design from J'Adore solid red paper. Using a glue pen, adhere the three die cuts together to form a thicker die cut shape. Save one of the positive hearts for step 15.
- 9 Adhere the heart piece over the blue notched strip, centering it left to right.
- 10 Using a paper piercer and a foam pad, pierce holes at various intervals around the heart piece, piercing on both the inside and outside of the piece. Refer to main photo for placement.
- 11 With white thread, sew in and out of the holes to stitch the heart piece in place.
- 12 Hand or machine-stitch two parallel rows of stitching across the top of the light blue bracket piece as shown.
- 13 Glue the assembled piece to the center of the card front.
- 14 Trim a 1.25"x.5 strip of J'Adore dark blue paper. Cut a v-notch into the left end. Adhere it to the right side of the card, 1" up from the bottom edge and flush with the right edge.
- 15 Adhere a light blue crochet heart to the center of the blue notched piece. Adhere the heart saved in step 8 to the right side of the crochet heart.
- 16 Adhere a chipboard arrow directly below the word "hello."
- 17 Referring to the photo, add three light blue sequins to the card, adding a white enamel dot in the center of each
- 18 Add additional white enamel dots as shown.

cutting files

NOTE: cutting files are provided in .silhouette, .svg and .dxf formats and work with most leading electronic die cutters (Silhouette, Boss Kut, Cricuit Explorer, Pazzle, etc.) that can open these file formats. If you do not have an electronic die cutter, you can print this page and hand-cut the shapes with a craft knife or small scissors.
