card instructions

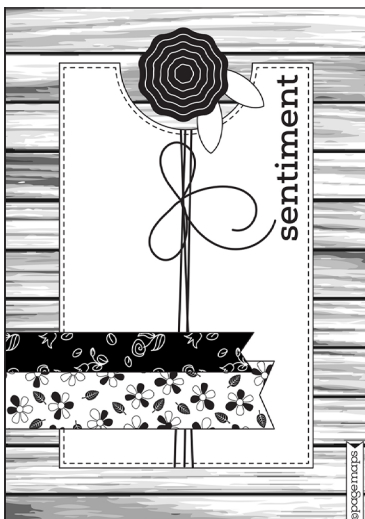

- 1 Make a 5.5"x4.25" card base from white cardstock with the opening on the bottom.
- 2 Trim a 5.5"x4.25" piece of black cardstock and adhere to center of card base.
- 3 Trim a 5.25"x4" piece of yellow dot paper and adhere to the center of the card.
- 4 Trim a 4.5"x3.25" piece of gray patterned paper. Using black chalk ink, ink the edges. Adhere to the center of the card base.
- 5 Trim a 4.25"x3" piece of black/white diagonal stripe paper. Ink edges with black chalk ink. Adhere to center of card.
- 6 Trim a 4"x2.75" piece of white watercolor paper. Using a 2" circle punch, punch a half-circle from the right edge as shown, approximately .25" from the bottom.
- 7 Swipe yellow ink onto an acrylic stamping block. Wet a paintbrush and dip it into the ink. Hold the paintbrush above the watercolor paper and tap against a finger to create ink splatter. Repeat as needed. Allow ink to dry.
- 8 Ink edges of watercolor paper with black chalk ink. Wrap hemp twine around the center of the paper panel two times. Tie the ends into a bow as shown. Adhere watercolor piece to the center of the card base with dimensional adhesive.
- 9 Trim a 1"x2" piece of yellow paper. Adhere it behind the half-circle opening as shown.
- 10 Using dimensional adhesive, adhere the scalloped floral cardstock sticker in the opening, tucking part of the sticker underneath the watercolor paper. Press down on the flower center to create dimension.
- 11 Trim a 1"x3" piece of text patterned paper. Cut a V-notch into one short end. Ink the edges with black chalk ink and adhere to the top of the card, approximately 1.25" in from the left corner. Add a piece of dimensional adhesive behind the top edge of the banner strip, if needed.
- 12 Trim a .75"x2.5" piece of gray damask paper. Cut a V-notch into one short end. Ink the edges with black chalk ink. Adhere to the right of the first banner, slightly overlapping the two as shown. Add dimensional adhesive, if needed.
- 13 Adhere the "take note" label sticker to the top left corner of the watercolor paper, overlapping the banner strips.
- 14 Adhere the "fabulous" puffy sticker to the bottom right corner of the watercolor paper, overlapping the banner flags and tucking it under the hemp twine as needed. Add black enamel dots as shown.
